Chamber of Commerce refutes Gary Kenney's views

Both sides agree to meet again April 14 after Kenney's report, attacking Chamber policy was released at Thursday meeting of AHM

by MARTIN BIEFER
Echo Editor

The Haliburton Highlands Chamber of Commerce feels there is "no basis" to any of AHM councillor Gary Kenney's arguments against their organization.

Kenney's remarks were made last Thursday at the regular meeting of Anson, Hindon and Minden council. Chamber president Rhonda Elstone, director Bill Kulas, and secretary-manager Bob Stinson attended the meeting, which to the relief of many did not degenerate into a name-calling circus.

However, the comments made back and forth, through Kenney's 25-page "case" against the Chamber and a four-page Chamber rebuttal, issued Monday, were at times stinging.

One hour was set aside for discussion by Reeve Lyle McKnight. McKnight told the Echo after the meeting that no resolution has been passed by council concerning the Chamber's "value" to the county, and that Kenney's detailed, 25-page "case" criticizing the organization was his opinion only.

Chamber "not fair"

Kenney began by stating his belief that the Chamber "since 1979...has not fairly promoted the interests of the whole county. In fact, the Chamber has acted (in certain cases) contrary to the interests of some townships, particularly Anson, Hindon and Minden."

He took pains to stress that he did not assume the Chamber had acted in bad faith, was not needed, has not been of value, and should not stress tourism in its activities and promotions.

He did, however call the group "a county agency" that has acted without "the minimum degree of direction and monitoring necessary" from Haliburton county council.

He stated that "because of county council's lack of responsibility, the Chamber cannot be held accountable for any of its actions to any of its members or outside body."

Kenney accused the Chamber:

- of using unfair and biased tactics to pressure new memberships and membership renewals
- of over-reacting to its priority activities -- and promoting tourism with chronic "tunnel vision"
- of conducting activities that benefit "one municipality" (Dysart et al) far more than any other
- of polarizing what he called "the myth" of spin-off benefits from tourism in the county
- of being unwilling, since 1979, to "apply its mandate fairly to all the townships of the county"
- of receiving, through funding from AHM, "charity" since 1979

Destination - vacations

Kenney produced data indicating that 41.5 per cent of "destination vacations" (resorts, lodges, inns, housekeeping cottages, trailer parks and camp grounds) in Haliburton county are located in Dysart et al. Dysart's "occupancy potential" is 49.3 per cent, he said, compared to 17.8 per cent in AHM. Finally, Dysart gets 75.6 per cent of the county's total tax assessment base for destination vacation facilities. That figure, he projected, will grow to 80 per cent by 1986, while AHM's will shrink to 9.2 per cent in 1986 from 11.7 per cent in 1982.

"As a councillor, how can I represent ratepayers and say this is a good investment," he said of the Chamber.

The Chamber's board of directors took issue with Kenney's data, prefacing their remarks (released in a statement Monday) by saying that the promotion "of destination - vacations" is just one of a great many activities promoted by the Chamber -- and by saying that a

"Chamber has not
fairly promoted
the interests of
the whole county"

-- Kenney

quote from a "From the Chamber" column, stating that "traditional patterns are changing...there will be less touring, and more emphasis on destination vacations" had been taken out of context.

"Through a series of pie charts, (Kenney) ends up showing that Dysart has the major share of the destination vacation facilities, and projects that by 1986 their share will increase by almost five per cent and Minden's will decrease by three and one half per cent," states the Chamber release.

"This relates to only one part of the tourism-related businesses and ignores the economic impact of tourists, including cottagers, simply being in the area. Further, we would hope that it would be Minden's intention to improve upon their share of the market -- rather than just concede a three and one half per cent decrease in it," noted the release.

A county agency?

Kenney next alleged that the Chamber is "a county agency," whose expenses are "underwritten" by the county. He noted the Chamber's \$51,023 operating budget in 1983 (including salaries, employee benefits, travel, and other administrative expenses) was "within two per cent of the county's contribution last year."

The councillor disputed stated Chamber claims that county funds "are a proper contribution for the promotion of county interests...and are not simply grants."

Again, the Chamber's release stated that important qualifying factors have been ignored by Kenney.

"Because the Chamber administration statement in 1982 totalled just over \$50,000, and the county provided the Chamber with \$50,000 in promotional dollars he insists this means that the county owns the Chamber, and that it is simply a 'county agency.' This statement ignores the fact that Chamber members have contributed over \$65,000 directly and another \$33,000 in advertising in our directories," states the Chamber release.

"The county dollars that are used by the Chamber are for marketing the county, not subsidizing our organization," the statement contends.

Kenney had stated that the Chamber has received "hundreds of thousands of dollars" in county funds. The Chamber's release showed the figure to be a total of

Figure skating club. For more pictures please turn to page ten.

Allin Cooper in critical condition after crash

A 58-year-old Ingoldsby man was reported in critical condition Monday after his ultralight aircraft "stalled" and plunged 75 feet to the surface of Lake Kashagawigamog.

Allin Cooper sustained a fractured skull, broken arms, broken legs, a broken wrist and a spine injury in the accident. According to Minden OPP Tuesday afternoon, he remains in critical condition in a Toronto hospital.

He was taken to Haliburton Red

Cross Hospital by air ambulance, and then transferred to Sunnybrook in Toronto. The Cooper family are at his side.

According to friends, Cooper had only recently become interested in ultralight aircraft. The Minden OPP report that the \$5,000 aircraft, powered by a small engine, was a write-off.

An aviation "stall" does not mean that the craft's engine failed -- but indicates the aircraft's lift was lost.

Cooper is well-known to local residents as a very active member of Branch 129 of the Royal Canadian Legion. He owns and operates Woodcutter's Supply and the Rent-All in Minden.

Incredibly, there was a second plane crash in the area Monday night.

A Cessna 172, piloted by Agbaji-Salami Razaq, ran into difficulty (and out of gas) in wet weather. The pilot attempted an

emergency landing on South Lake, but ran out of room. The Cessna skidded into the north shore of the lake, and according to Minden OPP officials sustained damage to the front end, propellers, and motor. An estimate of the damage has not as yet been determined.

Razaq and passenger Jack Kramer, both of Emmsdale, received minimal injuries in the crash. Both were taken to the Minden Red Cross Hospital, treated, and released.

Sunday morning.

The two young people were on their way home after a visit to the area.

Dr Holliday-Rhodes of Minden is the coroner, and Corporal Bryan Holmbeck assisted PC Solway in his investigation.

Two are killed in highway 35 auto accident

An autopsy was performed Monday on the bodies of two young Toronto residents who died during the night Saturday after their car left the road.

According to a Minden OPP spokesman the results of the autopsy have not been released as yet. Dead are Bruce Arnold Johnson, 23,

and Susan Louise Watson, 22, both of Toronto.

The duo were southbound on highway 35, near Miner's Bay, when the car "failed to negotiate a curve to the right" and went off the left side of the road. The car was found on some rocks, with Johnson's body nearby and Watson's

some distance away on a small pond. Their car had rolled over several times after sliding into a ditch.

A broken turnbuckle in the centre of the highway alerted PC Jim Solway to the tragedy, which apparently occurred between 11:00 pm Saturday night and 3:00 am

Three Dysart road crew members to be laid off in 1983

Three Dysart municipal road employees will face 20-week layoffs in 1983.

Dysart reeve Murray Fearrey met with Leon Jones, president of CUPE local 2142, and local secretary Miles Maughan at a regular council meeting Monday.

The layoffs will go into effect Tuesday, the reeve said.

The layoffs will go into effect as soon as possible according to the collective agreement between Dysart and the local, said Fearrey. The layoffs must also be consistent with

the Employee Standards Act, he added.

The reason for the layoffs, said the reeve, is a change in the MTC subsidy rate the municipality receives. The subsidy the municipality now receives (75 per cent) will drop to just 50 per cent over the next few years, he said.

"It appears we are headed for a labor force geared to winter maintenance...and a smaller crew for the summer months," said the reeve.

According to the collective agree-

reement between the municipality and CUPE, the three junior employees on staff will be the ones let go for twenty weeks this year. Fearrey said the workers affected will be the three employees above the mechanic on the scale. Because of the mechanic's job description he won't be laid off, explained the reeve.

Jones asked Fearrey if the workers' benefits will also be cut off. "Their OHIP and drug plan...will that be continued?" he asked.

Fearrey said that will "be taken

into consideration," and added he would get back to CUPE with that information as soon as possible.

Jones also asked council to make sure that any temporary staff hired this summer doesn't do work the laid-off workers might have done. Fearrey agreed that this must not happen.

The reeve said that "unless something changes" unexpectedly in MTC subsidization of Dysart, a smaller summer crew may be continued in 1984 and years ahead.

OPP report

Personnel at Minden investigated the following occurrences during the period between March 5 and 13, 1983. There were five motor vehicle accidents (two persons injured, two persons killed) and 26 general occurrences (four damage complaints, and one break and enter).

Accident

On Sunday, March 13 PC Jim Solway commenced his morning patrol of the county at 7:00 am. While patrolling south a short time later on highway 35 in Lutterworth township an object lying in the centre of the road caught his attention -- and upon examination he found it to be a turn-buckle, the kind used to tighten guide wires on the posts that line the highways.

A broken guide post led PC Solway to the east shoulder and from there his attention turned southward into the ditch where he saw, lying atop some rocks, the crumpled wreckage of a 1976 mid-sized car. Nearby lay the body of a 23-year old Metro Toronto man and some distance away, on the frozen surface of a small pond, lay the body of a 22-year-old Metro woman. Both had been thrown from the vehicle and are believed to have died instantly. Dead is Bruce Arnold Johnson and Susan Louise Watson.

It is believed the pair had been visiting the county on Saturday and were returning to their homes when the accident occurred. Evidence indicates that sometime between 11:00 pm and 3:00 am the driver, Johnson, had been south-bound on highway 35 and for some reason failed to negotiate a curve to his right. The car slid sideways into the ditch and rolled over several times.

Assisting PC Solway with his investigation is Corporal Bryan Holnbeck. Coroner on the case is Dr Holliday-Rhodes of Minden.

SSFC to receive more aid from the province

Provincial government funds for Sir Sandford Fleming College (SSFC) will be increased by 14.5 per cent for the 1983-84 year, the Ministry of Colleges and Universities announced today.

This represents SSFC's share of the overall 9.47 per cent increase in operating grants for the college system, announced two weeks ago.

According to Rod Rork, executive director of administrative services at SSFC, the system-wide funds are distributed to individual colleges through a detailed formula. "The allocation is based on the level of student activity and also takes into account other factors such as program weightings and geographic location," he said.

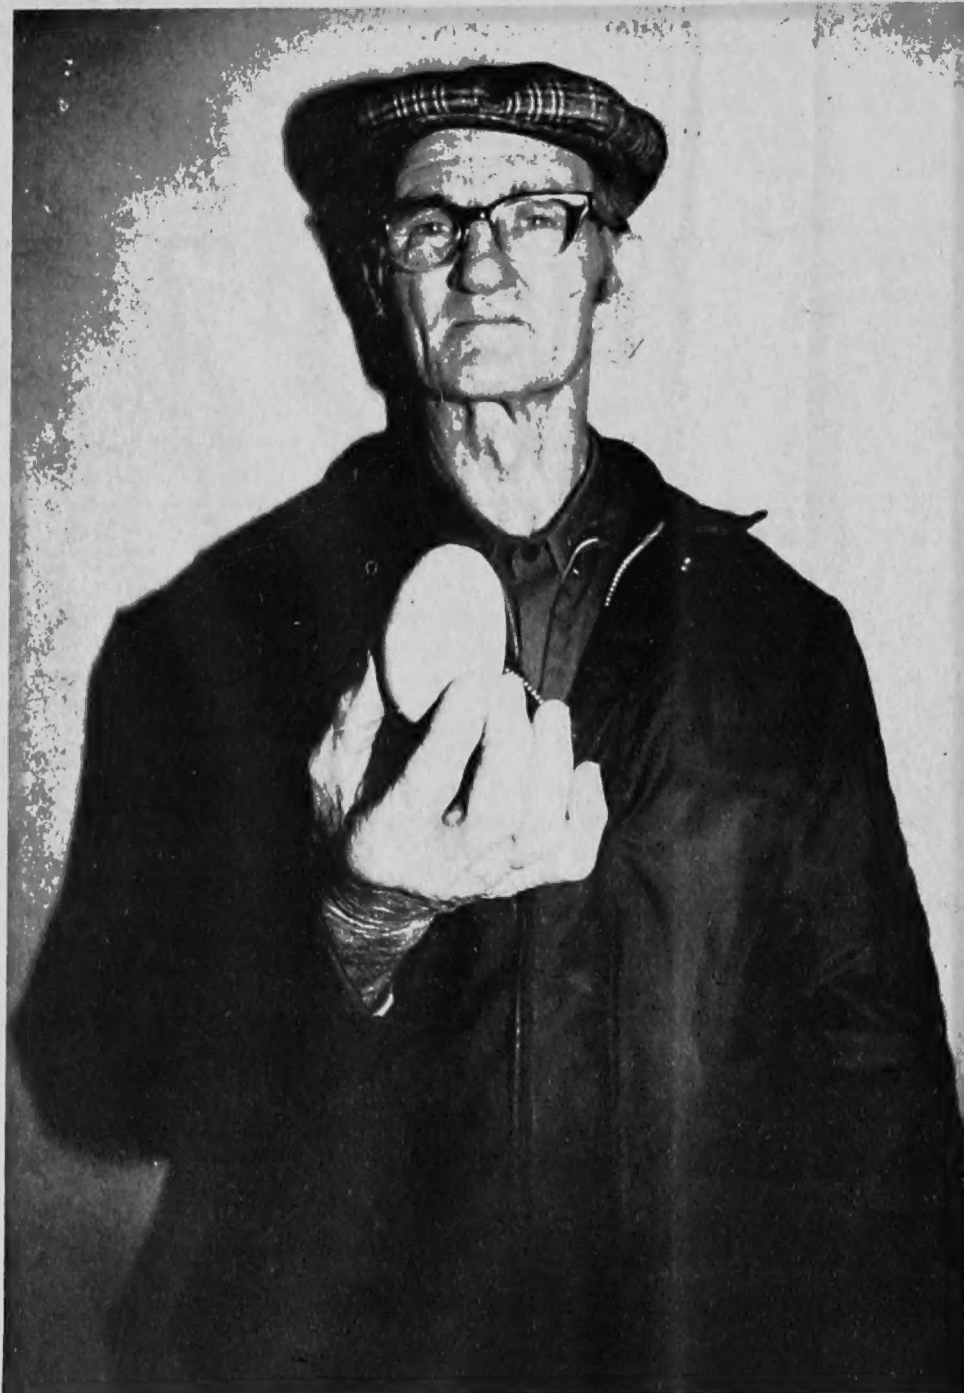

The announcement follows recent approval of SSFC's operating plan and budget for next year by its board of governors.

College president Charles Pascal says that the 1983/84 budget "recognizes the college's role and responsibilities as a new opportunity institution for student clients of all ages, and the need for the college to continue to be a meaningful place to learn and work."

Although the level of government funding provides for continued growth, SSFC's priority is to maintain its high level of efficiency and quality of education. "We will be making managed and selected decisions regarding any increase in enrolment," explained Pascal.

The college has budgeted for an approximate 8.5 per cent increase in post-secondary enrolment for 1983-84.

"Our budgeted overall expenditure increase has been contained at just over 8.3 per cent in order to meet the 8.5 per cent projected enrolment increase," said Rork.

Max Emmerson of Haliburton found this eight inch egg beneath one of his Star Cross poulet hens last week. He said he's seen big eggs before -- but never that big.

Monmouth township council is held

Monmouth council held its regular meeting March 7.

Members present included reeve Keith Tallman, deputy-reeve Harry Clark, and councillors Jim Deterling, Barry Dunford, and Alan Revill. Staff present included Sharon Stoughton, clerk-treasurer and Ken Noble, chief building official. Carol Bolton of the Echo also attended.

Resolutions

• Moved by Deterling, seconded by Dunford, that the minutes of the regular meeting held on January 31, 1983 be adopted as circulated. Carried.

• Moved by Dunford, seconded by Deterling, that the following bills and accounts be paid: general voucher number two, \$74,020.99;

welfare payroll number two, \$1,816.19; roads voucher number two, \$6,666.55. Carried.

• Moved by Dunford, seconded by Revill that the road report for the month of February be accepted as prepared. Carried.

• Moved by Revill, seconded by Dunford, that by-law 83-7, being a by-law to provide for interest to be added to tax arrears be read a first, second and third time and passed March 7 as prepared. Carried.

• Moved by Revill, seconded by Dunford, that Keith Tallman be given authority to hire tradespeople as discussed for the Medical Centre. Carried.

• Moved by Dunford, seconded by Revill that we call

for an engineer's report for our arena. Carried.

• Moved by Revill, seconded by Dunford, that we approve severance application re 394451 Ontario Limited Lot 11 Concession 15 provided that where the township road crosses or forms part of lot 11, concession 15 and abutts the severed or retained portions that a deed to the road be granted to the township and all costs save deed registration be borne by the applicant. Carried.

• Moved by Deterling, seconded by Dunford, that we the council of Monmouth are

Please turn to Page 7

HCBE meeting is held

The regular meeting of the Haliburton County Board of Education was held in the board office on Tuesday, March 8, 1983, commencing at 8:00 pm.

Present were Bonnie-Lee Berry, vice-chairman, Ross Anderson, Kelly Crick, LeRoy Eager, Julie Hunter, Dorothy Kinsman, Linda Mumford, Blair Pierce, Leonard Salvatori, Brian Sisson, George Simmons, J Douglas Hodgson, and Stanley Baker. Absent were: Cheryl Murdoch, Nancy Stinson, David Villard, and Paul Wilson.

Also present were William Hamilton and Dale Robinson.

William Hamilton, of the Big Hawk Lake Road, was present in regard to a bus matter. After much discussion it was decided if his child -- 11 years old -- was to get to school quicker, the board would have to have two buses -- one elementary and one secondary -- go around Halls Lake. It was decided that the cost would be too much. Therefore, Hodgson promised to have Sharpless look at the times when the buses run and see if a few minutes could be saved with some adjustment.

Dale Robinson, principal of the secondary school, presented to the board a talk on field trips. He emphasized the curricular value of the trips and the fact they can be a subject motivator. There was some discussion as to whether there should be a marks criteria for student participation. Robinson was not in favor of this because sometimes a trip can motivate a student to do more in a given subject. Also, some trips were an integral part of a subject program.

Resolutions

• Moved by L Salvatori,

seconded by R Anderson that the Haliburton County Board of Education approve the minutes of the February 14, 1983 meeting. Carried.

• Moved by B Pierce, seconded by D Kinsman that the board support the recommendations of the Northumberland and Newcastle Board of Education with respect to assignment of expenses for arbitration. Carried.

• Moved by G Simmons, seconded by K Crick that the Haliburton County Board of Education approve the field trip to Camp Wanakita by Reid. Carried.

• Moved by J Hunter, seconded by D Kinsman that the board accept the request by Deborah Robertson to have an extension of her maternity leave to September, 1984. Carried.

• Moved by R Anderson, seconded by G Simmons that the board accept the resignations of Phyllis Woodcock and Jean Cox, with regret. Carried.

Stanley Baker reported that since the grant regulations have not yet been released, he would probably have the levy ready for the April board meeting, for approval.

• Moved by J Hunter, seconded by D Kinsman that the chairman and director of education be authorized to sign the 1982 financial statements when completed by Dawson Gray Dart. Carried.

The members of the board instructed Baker to inform the bus operators they will receive a five per cent increase on September 1, 1983 as allowed by the provincial restraint program.

• Moved by J Hunter, seconded by B Pierce that the accounts for the month of

February, 1983, in the amount of \$816,549.02, be approved as shown in the cheque register. \$28,000 of above amount represents payments on loans. Carried.

In Paul Wilson's absence Julie Hunter reported on the special education advisory meeting of March 1, 1983.

• Moved by J Hunter, seconded by D Kinsman that the board approve the recommendation of the Special Education Advisory Committee as follows:

"That the Haliburton County Board of Education establish a class for multi-handicapped children in the Victoria Street Elementary School, commencing September, 1983. In order to facilitate the establishment of the class, the Haliburton County Board of Education approves the hiring of a qualified teacher and the purchase of necessary material and equipment."

This resolution subject to Ministry of Education approval.

• Moved by D Kinsman, seconded by B Pierce that the board appoint a CEDSS Committee, consisting of the following people: the special projects committee, the vice-chairman of the board, four principals - Baker, Devolin, Gorrie, and Robinson, the three presidents of the local Teachers' Federations - Carter, Chatfield, Phillips. Carried.

Bonnie-Lee Berry reported on the Children's Services Advisory Committee. She stated the committee had interviewed six applicants on February 21, 1983. Michael Wood was offered the position and he will commence his duties on March 21, 1983.

Douglas Hodgson reported on the secondary school salary negotiations.

Correction

In last week's article on the new hospitality training centre we stated, incorrectly that one stream of ten students will go

through the course this year. In fact there will be a further 15 students picked to go through the course in September.

Dennis Casey of the centre says it will benefit the entire county. Our apologies for the mix-up.

it's so easy ...

We bring you the World of Entertainment, Education and Data

Tune into an exciting new TV world with a Halco satellite TV system

Can you imagine 22,300 miles above the equator all those satellites parked in space just waiting for you? Now you can enjoy over 60 channels, most of which are commercial free, with pictures so crisp and clear it's hard to believe.

MOVIES - Reels and reels of movies 24 hours a day, commercial free.

SPORTS - Live, 24 hours a day. Boxing, golf, hockey, closed circuit.

NEWS - A 24 hour news service covering general news, sports, financial, the weather and special interest programs.

BROADWAY - Broadway theatre and concert performances with big name stars.

EDUCATIONAL - Professional and continuing education. Personal enrichment in hundreds of subjects.

CHILDREN'S PROGRAMS - on several channels, all nice things that kiddies will love.

This week

These little ladies were among the featured performers at "Skate Odyssey," held Saturday at the Dysart arena. From left to right are Andrea Wilson, Lauren Wilson, and Sabrina Pringle.

Dysart favored: Kenney

from page 3

\$94,500. Kenney said he "stood corrected" but noted that if the Chamber "gets all it asked for" this year they will have indeed received "hundreds of thousands" of county dollars.

As mentioned, Kenney was 32, tical of county council, who he believes have "not provided the minimum degree of direction and monitoring necessary."

The councillor stated that there has not been "a written mandate from the county 'within which the funds are presented, or by which those funds may be monitored.'" The Chamber, Kenney believes "has never been directed to account for any expenditure, program, or activity, nor has it ever been directed to provide evaluations for any expenditure program, or activity."

He cited the county council's "lack of responsibility," as being a factor permitting the Chamber to operate without accountability. There is, maintained Kenney

- no regular reporting by county council's representatives on the Chamber board
- no enabling by-laws to allow for county monitoring of the group
- and no regulatory by-laws (to stipulate any degree of Chamber accountability to county council, or any other body

Again, his findings are disputed in the Chamber's release. "A member of county council attends all board meetings, and is a voting member of the board. That member reports to county council at all county meetings, and the Chamber reports twice yearly. The submission made each year to county indicates exactly what the money is to be used for and provides details on the previous year. A copy of the audited financial statement is provided to the county."

"Every member of county council, and in particular those who have served on the Chamber board, are slandered by this criticism," the release states.

Other areas of concern

Kenney again used "From the Chamber" columns to support his argument that "The Chamber assumes there can be no reason for not belonging to its membership other than being declared a 'leach'

on the rest of the community."

He quoted from an April 22, 1981 column, which estimated "current" membership at 300 and potential membership "at about 450."

"This means for every two businesses who are helping the Chamber towards a better economy, there is one who is not. It was suggested that those who carry the load should be upset with those who choose to ride free," stated the column.

The Chamber agreed that it "pressures" business people to join. "The Chamber belongs to this community. Everyone in business should belong, and those who disagree with its policies or directions are encouraged and invited to bring those concerns to the board."

Tourism potential

Kenney pointed to the Ontario Ministry of Tourism and Recreation's Peterborough/Haliburton Zone Study, and how AHM didn't seem to "fit into the tourism scheme" according to that report.

Interestingly, the county Economic Development Commission (EDC) discovered in 1979 that "fully 90.2 per cent of all industrial-zoned land in the county (97.5 acres) was located in AHM."

He also believed the EDC was a Chamber organization -- and discussion revealed that although the Chamber acts in an administrative role for the EDC, up until this year the group was funded "100 per cent" by the county.

"If Mr Kenney has some constructive ideas to offer he would be welcome to participate as a member of this new committee," stated the release. The EDC has consistently received little funding.

Dysart benefits

Kenney notes that "the Chamber's activities and promotions are directed almost exclusively towards, in their words, 'destination vacations' and services found almost exclusively on a year-round basis in one municipality...Dysart et al."

These are, he continues "facilities that are only one part of the tax base -- and in AHM's case, a very small part."

The Chamber's reaction to this statement is that benefits are "possibly" greater for Dysart et al, but then so are "the costs, both to taxpayers and to members. It is also

impossible to calculate exact benefits to any business or municipality. What about the convention guest at PineStone who goes shopping at Robinson's in Dorset, for instance?"

No spin off?

Kenney argues that "spin-off effects" can't specifically be pinpointed. What is at issue is the location and degree of "direct benefits" from tourism promotion -- a "bargain to one particular municipality (Dysart et al) and a poor investment (at current rates of cost sharing) for Anson, Hindon and Minden."

The Chamber retorts that spin-off "means that tourist dollars are re-circulated in wages, and employee spending, and right down to the fact that the civil service employees (teachers, Ontario Hydro, OPP, MNR and county employees including Hyland Crest) in the county would not be required in the same numbers without the tourism activity that supports the rest of us."

AHM business

Kenney's final argument was based on the results of a telephone survey he carried out, indicating that "of the 20 facilities in AHM that serve 'destination vacationers' only three reported 'good to excellent assistance' from the Chamber while the rest (12-15) felt they were assisted on a 'fair to minimal' level."

He offered, as one alternative to the partially publicly-funded Chamber, the BIA association" which is required to fund its own promotional efforts from (its) own pockets."

The Chamber replied by questioning the telephone survey, which "once again follows the assumption that the Chamber's entire value can be measured by how many people we referred to a resort. It ignores the cottagers, who are also tourists, and it ignores the considerable portion of our mandate that does not deal with promotion of destination resorts."

"Since there is no basis to any of Mr Kenney's arguments, and the document offers no positive ideas or suggestions, we therefore feel that it should be dismissed as such at once, so that our energies may be devoted to more effective tasks."

Five municipalities join in plan

Promotion venture will aid tourism plans in "eastern townships"

Word of a joint promotional venture involving Dysart, Cardiff, Monmouth, Bicroft and Glamorgan townships highlighted a Dysart municipal council meeting, held Monday at the municipal office.

According to councillor Lloyd Leadbeater of Harcourt Park the concept has been quite well-received by other local reeves. Brochures will be printed up, highlighting events and sights to see in the townships, offering discounts on drinks from merchants, and giving the holder of the brochure a chance to win a canoe.

Leadbeater explained with a smile that the free drinks "are non-alcoholic ones."

The brochures are to be distributed from the Cardiff information booth on highway 28 and at the upcoming Sportsman's Show in Toronto.

The distribution of the pamphlets "will be monitored closely," said Leadbeater. "If there are any signs of success, we'll build on it for another time around."

According to Reeve Murray Fearrey most of the work on the project so far has been carried out by Don Favreau, a real estate man from Harcourt Park.

The reeve said it was interesting to see an area (the eastern townships) band together for promotional purposes.

Forest owners association
Reeve Murray Fearrey and clerk Wayne Wood will meet with Haliburton County Forest Owners Association president Curry Bishop and HCFOA official Dan Buhl to discuss a proposed forest management program.

Funding, in the amount of \$168,340, has been approved so that work can be carried out on private lands owned by Elgin Stouffer, North Lake Holdings, the Haliburton Fish and Wildlife Reserve, Canadian Haliburton Estates, and Lee Blair. Funds were made available by the federal government.

The program has been designed to employ about 19 people, under the supervision of forester Dan Buhl, who would carry

out forest management on the lands.

However, council questioned the costs Dysart would incur as "sponsor" of the organization. Clerk Wayne Wood noted that the original proposal had been trimmed by the federal government, and that the portion allocated for municipal administration appeared to be cut out.

The forest management program is open to those people currently qualified to receive unemployment insurance.

Curry Bishop, present at council on another matter, said that the program will have to be examined carefully. He wondered how feasible it might be, since workers would have to be willing to work "for unemployment insurance wages."

Hospital renamed

Council was informed by St Joseph's General Hospital of Peterborough about the upcoming administrative "twinning" of the Haliburton and Minden Red Cross hospitals with the Peterborough hospital.

The name of both local institutions will be changed -- to (naturally) the Haliburton Hospital and the Minden Hospital, since the Red Cross will no longer be involved in their operation. "Let's call it the Haliburton General Hospital," joked reeve Fearrey.

Subdivision

John Beachli of Beachli Construction will be asked to install a culvert and an electrically-heated line on a reservoir project he is currently carrying out in Haliburton on the Harburn Road.

Beachli wants to build a communal well for five lots in the subdivision. He will be giving a road (which the water line will pass under) to the municipality, but would like to keep an easement, to give him access to the water line.

The reeve said a culvert and hot line would reduce the likelihood of the line freezing -- and would mean the road wouldn't have to be torn up in that case.

Stinson coming

Fresh from his appearance at AHM council last week, Bob

Stinson of the Haliburton Highlands Chamber of Commerce wants to meet with Dysart councillors, to bring them up to date on Chamber activities.

Reeve Murray Fearrey said Stinson will attend in either April or May.

RRAP program

Jeff Loucks of CMHC's Peterborough office was on hand to inform council about the RRAP program -- a federal scheme to assist homeowners in upgrading the wiring, and plumbing of their homes, as well as other approved repairs.

Dysart council passed a resolution indicating their willingness to get involved in the program.

The program, said Loucks, "is designed to extend the useful life" of homes and is aimed at "families with lower incomes."

Funding is available not only to homeowners, but to landlords wishing to upgrade rental units and to handicapped people, he said.

Dysart's job, under the program, would be to promote the program, take applications, and do inspections of buildings. The federal government would give them a flat \$400 fee for doing the work, council was informed.

"It could be a help to some of our people, and could generate a little employment," said councillor Lloyd Leadbeater. The CMHC is aiming to implement the program in July of this year.

Tree cutting

So far no one has been fined by Dysart for violating the municipal tree-cutting by-law.

Tree-cutting inspector Dale Griffin was on hand Monday to bring councillors up-to-date on his work.

Griffin said local foresters have been "receptive" to his presence, and also said the poor winter has meant most foresters are taking out large trees, rather than small ones.

Foresters who have been taking out small trees have received verbal and written warnings from Griffin, council was told. Under the Dysart by-law, fines of up to \$5,000 can be doled out to those cutting out young trees.

Dysart wants more information on airport before they offer assistance

Dysart council wants more information about Stanhope's airport development plan before committing themselves to assisting the neighboring municipality.

Stanhope had requested "the co-operation of Dysart in the implementation of appropriate zoning by-laws in Guiford township." The municipality is seeking a "preliminary master plan for the development of the Haliburton Highlands

Stanhope Airport on the east side of the Airport Road."

But Dysart reeve Murray Fearrey told councillors Monday that he didn't "really catch what they're asking for," and council will request a copy of the Stanhope's draft development plan and a consultants study.

Fearrey said he felt Dysart "should weigh all the facts" before making a decision.

Councillor Lloyd Leadbeater said there should be "a better indication (from Stanhope) of the whole situation." Dysart council wants to know, in essence, where Stanhope would like to see a field built, so that factors like the proximity to cottages could be gauged.

It was pointed out at council that nothing tangible has developed yet at the airport, in terms of development.

In this scene from *The Pajama Game* employees of the Sleep Tite Pajama Factory enjoy a company picnic...a time where they can enjoy dancing and recreation. The student cast from HHSS did an

excellent job in staging *The Pajama Game*, an ambitious musical comedy that featured live accompaniment.

AHM deals with races, MTC, and sidewalk repair

The Chamber of Commerce debate was but one of many items dealt with at last Thursday's regular meeting of Anson, Hindon and Minden council.

Don Glashan of the Ministry of Transportation and Communications was on hand to inform council about changes in MTC subsidization of the municipality's roads budget.

The subsidy this year will be 58.8 per cent -- the same as last year -- but will be reduced to 50 per cent

over the next few years, explained Glashan. In fact, he noted, a resource grant was used this year to keep funding at last year's level.

In all, AHM will receive up to \$194,000 from the MTC. They will be subsidized up to a total roads budget of \$329,500.

Reeve Lyle McKnight told the Echo that the municipality will have to cut back on some road items, and try to economize on such things as road oil, and calcium.

"We want to keep our taxes in

line," he added. The council will be meeting this month to discuss the municipal budget, he said.

BIA sidewalks

Gord Crosby of Totten, Sims, Hubicki displayed drawings and revealed cost estimates on proposed sidewalk work in downtown Minden.

Council has agreed to set aside \$20,000 a year over five years for downtown renovation projects in Minden. The BIA will assist AHM

Editorial

The EDC needs Kenney

The Chamber debate has been adjourned until April 14 -- and now both sides will have a chance to prepare themselves. The question one has to ask is why.

Gary Kenney, in a thorough "case", came up with no solutions to the "problems" he perceived in the Chamber. Instead, he concentrated on pointing out the shortcomings of the organization.

The Chamber's representatives were taken aback by the 25-page bound document Kenney had compiled, and were given no time whatsoever to rebut his statements. Kenney, in return, received two-thirds of the time reserved for debate in order to state his views.

The April 14 meeting, reasons reeve Lyle McKnight, will give both sides more time to continue the debate. In all fairness, AHM council did have an extremely busy agenda Thursday, with several other delegations in attendance.

Is a council meeting the right forum for such matters to be discussed?

After all, Kenney's views are his own...not those of AHM. He is stating them with the permission of council, but not on their behalf. If the councillor has a case to make against the Chamber, why does he not face them directly?

Certainly everyone is entitled to state their views, but was Thursday's meeting the time and the place for this type of discussion?

Kenney has been very careful, each time he has spoken, to state that views expressed are his alone. But we need only look back to the airport debate in Stanhope of several weeks ago to find a precedent.

Stanhope's deputy-reeve, Elgin Stouffer, aired his ideas about the county taking over the airport -- and made statements favoring such a move at county council.

His views were later attacked by nearby residents -- and the Stanhope council, who had never supported the idea, weren't there to back him up.

Since no supporting resolution was passed by Stanhope council, there was little significance placed on Stouffer's stated desire for a county takeover.

As in Stanhope, the council of Anson, Hindon and Minden have not come out for or against Kenney's critique of the Chamber. No resolution on the subject has been passed.

The Chamber argues that little weight should be accorded Kenney's comments.

Without council backing, Kenney's remarks remain mere remarks. So that his hard work is not wasted, Kenney should continue to make ongoing representations to the Chamber.

When April 14 comes around, he should have a set of solutions to read out, rather than mere criticisms. The council in Minden has, after all, "approved in principle" the establishment of an information booth in Lutterworth, have worked closely with the local BIA to beautify Minden, and have planned the summer Mini-Fairs and related publicity.

They feel that not enough Chamber promotion is directed at their water and sewer system. Kenney raised the issue of promoting industrial land, nearly all of which is in the Minden area.

No doubt industrial promotion is one area that needs improvement. The EDC has been chronically underfunded over the years.

But the Chamber, as Kenney points out, has placed much of their emphasis on tourism promotion, and are ill-equipped to handle this new area.

They have offered Kenney a seat on the committee, warning him facetiously that only constructive criticism will be allowed. The Chamber should not be snide in approaching Kenney. The energetic young councillor has proposed county participation at industrial trade fairs, to attempt to attract "concept-oriented" light industry to our area.

Hockey fans irked

The three letters and dozens of comments we've received about hockey in Minden and Haliburton deserve some mention here. All were sparked by a letter to the editor in last week's *Minden Times*, as well as "Puck Talk" in that same publication.

A letter and an article laid the blame for Minden's loss to Thornton on the shoulders of ex-Huskies players.

Certainly it was unfortunate that the fine Juvenile team lost out on their bid to advance in OMHA play. No one likes to see the home town lose.

This year, more than in the past, the two towns have worked together, at a variety of levels. The Huskies would have had trouble fielding a team on many occasions if not for Minden players. And certainly ex-Huskies players aided the Juveniles.

The numbers of players in both towns' minor hockey systems are not large. As the number of players continues to decline we will need more and more cooperation, so OMHA teams can be fielded.

Perhaps, one day, we'll even see one league for both towns.

By the response to the letter and article of last week it would appear the majority of people agree that working together is the best way to go.

Letters

Pointing the finger is not the answer says fan

To all Haliburton county hockey fans:

It was with deep regret, sadness and a touch of anger that I read 'Puck Talk' and the letter to the editor in last week's issue of *The Times*.

My family, as a great many families in the area, have been staunch supporters of minor hockey for years.

Throughout these years we have all, at one time or another, witnessed games and incidents not to our liking and there is no hard and fast rule to overcome it. Disgust, pointing the finger and laying blame is not the answer.

There are many aspects of minor hockey a fan does not view or take into consideration when watching a game such as the one in question. Parents, executive, coaches and players trying to hold together, endless hours of practice, travelling arrangements (etc.). When a situation such as this arises one must gather up the pieces and pull together in a still greater effort, not throw up our hands in defeat, breaking apart and shattering what little is left.

I have come up through the ranks of minor hockey, so to speak, as a player and a parent. Tyke, Novice, Atom, Peewee, Bantam (etc.) I

have watched these teams year after year working hard, playing their hearts out and fighting a losing battle just to make a good showing in their respective leagues. This aspect of the sport causes pent-up frustrations which emerge in later years.

The coaching skill is there, as is the talent, potential, and a desire to win. There is however one element lacking, strength and numbers. For this reason many residents from both towns feel it is in the interest of the association to combine, making divisions stronger in both towns giving each team a better chance of becoming a winner.

Many residents of both areas have fought for just this for years. The affiliation agreement with the 'Huskies' was our first big step in that decision. Opening old wounds is only going to widen the gap. Minden has come to the aid of the 'Huskies', as they have for us; it's a two-way street.

The intent of this letter is not to have everyone choose up sides and come out fighting, only to point out, 'there are two sides!'

I hope the readers will remember one important saying, "United we stand, divided we fall!"

Neil Burk,
Minden

Minden hockey says Haliburtonians class group

To the Editor:

We are writing in response to a letter in last week's *Times* regarding Minden Juveniles game against Thornton.

We will begin on a personal note by stating that our association with Haliburton players, parents and executive, has been a rewarding experience. These are a class group of people just as you will find in Minden.

In regards to the protest of a junior player, we were informed that he had played three games after January 10 making him ineligible. There was no bench-clearing brawl that we were aware of.

Minor hockey executives from both Minden and Haliburton agreed that it would be advantageous to minor hockey in the county to affiliate the junior and juvenile teams. We personally would like to see this instituted at all levels in the two centres.

The young men and women attend the same school and participate in all aspects of school

sports without animosity. Only when the names, "Minden Monarchs" and "Haliburton Huskies" appear on hockey sweaters does the prejudicial nonsense begin and it would appear to be much more prevalent in some of the parents.

These young people have their years in high school as a common denominator, and we feel that an exchange of hockey players is a healthy and progressive step into future relations between our two communities. They can accomplish this by themselves if they are not influenced by the archaic reasoning evidenced in last week's Letter to the Editor.

It is our sincere hope that our efforts have not been wasted.

Congratulations, Juveniles on an excellent season.

Carl Hie [manager]
Greg Carpenter [coach]
Minden Juveniles

Feir Play

Creighton Feir

It's all important these days that all of us get involved in one way or another in the community that we live. Many of us never seem to get involved in anything and it seems to be the old story about the same people doing most of the work in most of the communities. We must keep in mind the fact that our community is just as strong as those who live here and take part in it. In most centres it seems to be the same old story of sitting back and saying, oh well, let George do it. In my opinion all of us should be involved in at least one thing in the particular area in which we reside. If you look around you will find that you can always see many different organizations and projects that you can become involved in. Take for instance the following: service clubs, minor hockey, School of Fine Arts, boy scouts, cubs, beavers, brownies, guides, church work, youth groups, curling, figure skating, squash and I could go on and on. You don't necessarily have to be a joiner and belong to an organization to get involved in your community. You can do it very simply and with little fanfare by visiting that person that you know that may be lonely and sitting at home day after day with no one to talk to. How a person like this would enjoy a visit, and after you call I am sure that you will find great satisfaction when you know that you have made someone else happy. It all boils down to a case of people helping people. Why not take a few minutes off right now to consider the possibility of getting involved with something in your community. By doing this you will be helping to make the workload just a little lighter on those who seem to be overworked with community affairs.

You can also get involved in many other ways and one is by taking an interest in local politics and by speaking up when you think that something isn't right. There is an old saying that goes something like this. "If you stand for everything, soon you will stand for anything." How true this is. By getting involved you will find a great deal of satisfaction that we guarantee will give you a different outlook on life.

Did you know that forgivable loans to a maximum of \$3,000 to cover up to 30 per cent of the cost of repairing, altering or improving your home are being offered through the Canada Home Renovation Plan (CHRP) and being administered by CMHC whose address is 251 Charlotte Street, Peterborough, Ontario, K9J 2V2. Did you know that forgivable loans to a maximum of \$3,000 to cover up to 30 per cent of the cost of repairing, altering or improving your home are being offered through the Canada Home Renovation Plan (CHRP) and being administered by CMHC whose address is 251 Charlotte Street, Peterborough, Ontario, K9J 2V2. Application deadline date is April 30, 1983. Listed under eligible types of work are the following. Any repairs and alterations to your residence, improvements that are permanently installed or built into the structure of your home and are for residential purposes.

One begins to wonder if spring can be far off when you hear the news that Bryan Abbs, who resides in Haliburton, looked out into his back yard Thursday of last week and noticed a robin perched up in a tree. That has to be a sure sign of an early spring.

In looking over the National Hockey League scoring statistics in a recent issue of the Toronto Star I noticed that although Bernie Nicholls of the LA Kings had missed some games midway during the schedule due to a knee injury that he still is in fifth place with total points on the Los Angeles roster. At last count Bernie had scored 24 goals second only to the Kings veteran goal scorer Marcel Dionne. He also has 21 assists to go along with his 24 goals to give him a total of 45 points at this point in the schedule.

The 1984 Rotary International Convention will be held in Birmingham, England. The Minden Rotary Club is in the process of negotiating a group airfare on a block of approximately 200 seats with the probable point of debarkation at Manchester. Anyone wishing more information on this can contact Cub Coneybeare.

If you are looking for a way to celebrate St Patrick's Day you should consider taking up the Haliburton District Lions Club invitation to attend their St Patrick's Dance which is being held this coming Saturday night, March 19 at the Minden Community Centre. Admission is only \$5.00 per couple and a pot luck lunch appreciated. The club also has a special occasion permit for this evening.

And they call this hard times when it appears that well over half of the people in Haliburton County will be heading for the sunny south for the March break!

Nancy Brink of Nancy's Flowers has informed us that the village of Haliburton will be having its second annual Daffodil Day on Friday, April 8. All businesses in the village have contributed funds to purchase the daffodils which will be distributed to participating businesses and handed out to customers throughout the day.

Pic of the Past

This photo was taken on January 28, 1950 on Head Lake, Haliburton. All the snow had gone during the January thaw, and with all that bare ice, the lake became a large skating rink. The lake at such times was a great place to meet, skate or play hockey. These occasions were happy times for teenagers of that time. It is

interesting to note that after 33 years, ear muffs are fashionable again. From the left, Marg Hodgson, Noel Austin, Bonnie Lee, Carl

Woodcock, J'Nan Bishop, Tom Hodgson. Our thanks to Tom Hodgson of Oshawa for giving us the permission to use this photo.

Queen's Park

John Eakins, M.P.P.

Eakins pleased that local grants made available

Last week the ministers of tourism and recreation and citizenship and culture kindly notified me of the successful applicants from Victoria/Haliburton to receive approximately \$2.1 for capital grants. Of course, everyone knows how strongly I support Wintario grants, especially as they apply to our more rural areas. In looking over the provincial list of recipients, I find that our counties have fared very well. In fact, over the years, our counties must be near the top as recipients in comparison to other areas. This is a tribute to the volunteer spirit of our people. You put your program together and worked hard to see it achieved.

The Rails' End Gallery in Haliburton will receive \$6,286 for renovations and upgrading of lighting.

The township of Bexley will receive \$8,662 for the installation of lighting and bleachers at the Bexley Legion Park.

The Minden White Water Reserve will receive \$37,000 to build a training and competition centre of national and international calibre on the Gull River.

The town of Lindsay has been awarded \$145,267 to help construct a community hall and gymnasium at the Queen Victoria School. This will be a great asset to that part of town.

I am pleased with the award of a contract for highway 648 in Haliburton County. The contract is for grading, drainage, granular base and hot mix paving on highway 648 from 1.2 km north of Highland Grove southerly to highway 121 for 11.1 km.

This project on highway 648 is for minor reconstruction. Reconstruction will include grade revisions, drainage upgrading, treatment of

commercial and sideroad entrances, shoulder paving and widening of pavement on curves. All of the above treatments will be carried out at selected locations where required to provide safer and smoother driving conditions.

Work on the project is scheduled to begin in May, 1983 with completion set for mid-summer, 1983. The contract is awarded to K J Beamish Construction Company Limited of Thornhill, Ontario, at a cost of \$562,708.

The Ministry of Transportation and Communications is currently preparing plans to improve secondary highway 505 from the junction of highway 48, northerly to the junction of highway 503 at "Uphill" -- 19 km. The highway forms the east/west boundary of Eldon, Bexley, Laxton, Carden, Digby, and Dalton Townships, within the County of Victoria.

The Ministry is proposing the following improvements:

- minor grading, placing of granular base where required, paving and drainage
- improvements to the Talbot and Head River structures.

The above work will be carried out within the existing highway right-of-way.

As a result of the re-evaluation of the nature of the work proposed, MTC has re-categorized this project as a group "C" undertaking. Projects in this category are exempt by Order-in-Council from the requirements of the Environmental Assessment Act of 1975.

The improvement proposals will be on display at the public "drop-in" information centre. Interested residents are welcome to discuss these proposals with representatives of the ministry who will be in attendance on Tuesday, April 5, 1983, at 2:00 to 8:00 pm, at Victoria Road Community Hall, Victoria Road.

Report from Parliament

Bill Scott, M.P.

NEP is affecting tourism industry in Canada

For some time now, I have believed and stated publicly that the policies of the federal government have been the largest factor in the escalation of the cost of living and therefore inflation. Thankfully, recent data shows that inflation figures are on the decline.

One sector which continues to remain uncontrolled is the energy sector. The energy estimates recently tabled in the House of Commons show that the government plans to increase the number of person years in the energy program by 30.4 per cent in 1983-84. The total spending in the program is estimated to grow by 29.2 per cent in 1983-84. In the year of six per cent the National Energy Program will cost us an additional 29.2 per cent. Total spending is predicted to be \$153,165,000, a far cry from the \$20,301,000 spent in 1979-80.

I have, in previous articles, detailed the number of oil drilling rigs which the National Energy Program (NEP) forced out of Canada. As stated in November in the *Toronto Sun*, "The National Energy Program, NEP, is also part of the scheme to drive private competitors out of Alberta (and Newfoundland and wherever petroleum is found)."

Now we see the effect that the pricing policy set down by the NEP is having on the Tourism

Industry in Canada. In 1981, Canadian Tourists spent \$3.5 billion in the United States while US visitors spent \$2.5 billion in Canada. This billion dollar gap was expanded in 1982. Why do Canadians prefer to travel in the United States and fewer Americans come north now? The biggest single factor is the discrepancy in the cost of gasoline in Canada and the United States.

This points out that Ontario prices are on average 8 cents per litre or 32 cents greater than in neighboring States. This means an additional \$5.00 per 60-litre fill up. This, in a province where tourism is the largest employer, providing jobs for nearly 12 per cent of the population. The NEP has created this gap which directly affects the income of 12 per cent of our residents.

Not only does the government stubbornly refuse to abandon this destructive policy, we now find out they neglected to make any provision in their negotiations with Alberta to deal with possibility of a drop in oil prices. If they continue this attitude we will be caught, due to their lack of foresight, in a situation where we will continue to pay artificially high oil prices when the world price is falling.

Chamber of Commerce

Winners announced in Chamber photo competition

Photo contest winners

The first round in the "Great Highlands Winter Photo Contest" is over and we have two winners to announce at this time. First prize and dinner for two at the Harvest Room goes to Bruce Turner of Donald for his "kids gathering sap" photo which was included with a dozen other excellent pictures that he submitted. Second prize goes to Jim Tomlinson of Minden for his "ice races" study of the competitions at the Minden Fair Grounds this winter. Jim has earned two tow tickets at Sir Sam's, good for any time next season.

An honorable mention goes to Eileen Crawford at Hart Lodge who brought us in some pictures taken some time ago by the Ministry of Tourism that we were able to make use of in our new directory. Since the pictures were not taken by them we couldn't include them in the contest of course, but we do appreciate Eileen providing them for our use.

The second round in the contest is open for entries until the end of April. We are opening up the rules to allow colour pictures to be entered because we find very few of you are taking black and white any more. We therefore will consider any winter picture that includes people enjoying the various winter activities in the county in either color or black and white.

We have two more tow tickets from Sir Sam's, a gift certificate from Black's Hardware and are still open for more prize donations for round two. Our sincere thanks to Sir Sam's and the Harvest Room for the prizes in round one and to all of those who entered photos in the contest.

1983 Directory published

The new Highlands Directory is now being distributed and will shortly be mailed to 15,000 property owners. For the first time the directory has been produced in cooperation with Central Ontario Travel Association and this appears to be a very efficient way of handling this. Many of the advertisements you will see in our directory will be repeated in the 75,000 COTA books that are yet to be printed. As a result Haliburton's section in this directory will be much stronger than in the past. Over \$33,000 in advertising was placed in the two directories from the Highlands, more than from any other region in Central Ontario.

The back covers, inside and out, will reappear on the COTA book, the Victoria book, the Durham book, the York book, and the Quinte Isle book.

Walter Thomas who has worked with the Chamber on a good number of projects was responsible for selling this new concept to the members and we are sure that you will agree he has made an excellent effort. Congratulations Walter on another job well done.

Off to the show

By the time most of you are reading this we'll be off to the "Big Smoke" for another Sportsman Show. It's a ten day grind that we look forward to with a certain amount of dread considering the long hours and simply being in downtown Toronto that long. On the other hand we do look forward to this opportunity each year to talk one on one with such great numbers of potential tourists to get a feel for what kind of a year it is going to be. We never fail to come home with some pretty strong indications of what the public wants and whether or not they are ready to spend money to have it.

This year we are pleased to have five of our children's camps participating in the exhibit with their own selection. They include Kilcoo Camp, Camp Gay Venture, Camp Kandalore, Camp Allsaw and Camp Calumet. In addition Haliburton Hockey Haven has moved to a location directly across the aisle from us so we do anticipate a lot of interest in this activity.

The coverlets made on the 100-inch-loom and being raffled by both the Guild of Fine Arts and the Minden Library-Culture Centre will be on display and we will be selling draw tickets for both organizations.

We will attempt to send a column up from the show during the next two weeks but please don't count on it. The atmosphere is not conducive to being creative.

The coins are coming

The coins that are being struck to commemorate the "coming of age" of our county have been designed and are shown here. The engraver is now working on the dies (which will also include a December 31, 1983 expiry date) and we should have samples within about three weeks. Anyone interested in obtaining a coin minted in fine silver may order one up to that time at a cost of \$25.00. Once the order has been placed to have the coins minted these will no longer be available. Contact our office at 286-1760 for more information.

A statement made by Rhonda Elstone, president of the Haliburton Highlands Chamber of Commerce.

Last week at a council meeting of Anson, Hindon and Minden a document was tabled by a member of council in support of his own personal view of the "value of the Chamber of Commerce."

Because of a time constraint we were not able to respond to this document at that time. The Chamber has been invited back to Minden council to continue the dialogue on April 14.

In the meantime, I would like to state that we consider the document in question a biased and personal viewpoint of one member of council. Everyone knows that if you start out with a certain point of view it is possible to find all the ammunition you need to support that particular

Curry Motors win league title

It's all over--and the Industrial League champions are Curry Motors.

Curry's came back Monday night from a 3-1 deficit to defeat a game Emmerson's 6-4. Last Wednesday's opener was a 5-4 overtime triumph for Curry's, who take the best-of-three series two games to none.

Curry Motors 6, Emmerson Lumber 4

Emmerson's scored early in Monday's game. With just 46 seconds played Dean Curry connected from Mark Schell and Joe Roberts. With 5:30 to go in period one Sheldon Nicholls scored from Roberts and Dean Curry, and it was 2-0.

However, with 1:38 to go Steve Roberts got one back for Currys, and the period ended 2-1 Emmerson.

Gary Brohman put Emmerson's back up by two in the third. He scored from Jim McPhail and Jerry Walker at 5:46. That proved to be the only goal in a tough second period,

wit both goaltenders and their posts working well.

Very early in the third Tom Curry made it 3-2, scoring unassisted after 45 seconds of play. At 9:21 he scored again, this time from Brian Black and Chip Trueman. That tied things at 3-3.

Not to be outdone, Gary Brohman broke in alone on Steve Kirkpatrick and scored, after taking a pass from Dean Curry. There was 9:37 left.

With 7:23 to go Steve Roberts picked up a Bob Nicholl rebound and beat Larry Hartin with the tying goal. Brian Black got his second assist of the night on the goal.

It was a picture goal that won the game. Brian Black set Tom Curry loose with a lead pass, and Curry deked around Larry Hartin. It was 5-4, and time was now a factor.

With just over four minutes left Joe Roberts was sent hurtling into the net, knocking the posts off their moorings. No penalty was

called, angering Roberts and leading to an untimely unsportsmanlike conduct penalty and a misconduct, as well as a bench minor and a game misconduct.

It was with a man advantage, then, that Jim Wynn (who hit two goal posts on the night) scored from Tom Curry, with 2:44 left. In a show of sportsmanship most of the players got together to celebrate the end of a fine season of hockey after trophies were presented.

Curry Motors 5, Emmerson Lumber 4 (overtime)

The game that set the stage for the Monday final was a Wednesday night overtime thriller.

Both Steve Kirkpatrick and Larry Hartin were excellent in nets.

Emmerson's drew first blood, with Paul Morrisette scoring from Gary Brohman at 4:25. Only two minutes later Joe Roberts scored from Luke and Mark Schell, and the score was 2-0.

Steve Roberts got an unassisted marker with 6:30 left in the first, but Luke Schell answered that two minutes later, also on a solo effort. After one it was 3-1 Emmerson's.

In the second Mark Schell's solo effort, scored with only 1:20 played, proved to be the only goal as Emmerson's headed into the third with a three-goal cushion.

With 11:23 to go Tom Curry scored from Drew Carey, making it 4-2 after two.

Very early in the third Walt Prime stuffed home a rebound, making the score 4-3 after just 37 seconds of play. Tom Curry got the assist there. At the 6:39 mark Curry helped out on a goal by Steve Roberts that tied it.

More than 12 minutes of end to end action followed -- setting the stage for sudden death overtime. And with 2:07 played in OT, Kevin Sisson scored from Curry and Willy Greber.

Here are the champions from Curry Motors' club. In the back row, from left to right are Brian Black, John Robinson, Kevin Sisson, Jim Wynn, Chip Trueman, Willy Greber, Glen Scully, Jim Burk and Drew Carey.

In front, also from left to right are Tom Curry, Bob Nichol, Steve Roberts, Steve Kirkpatrick, and Walt Prime.

Glen Dart tournament is all set

by BILL DAVIS

This Saturday, (March 19) marks the 31st Annual Glen Dart Hockey Tournament and many teams from across the county will be at the Dysart Community Centre to participate for the Glen Dart trophy.

For many old timers the name of the Haliburton Huskies will bring back fond memories of the glory years when the Huskies reigned superior and championships were common, one can't help but recall the name of Glen Dart and recall his many skills that he displayed both on and off the ice.

Glen (Bimmy) as he was known was an avid hockey player and sports enthusiast, played his minor hockey in

Haliburton. Bimmy played for many teams and his ability was recognized as he was given the opportunity to try out for the now defunct Toronto Native Sons of the OHA.

Glen made the team and the club was high on his ability, but like most Highlanders his love of the game became secondary to his native Haliburton.

When the Second World War came along Glen enlisted in the air force and while serving his country he still had the opportunity to play his favorite sport. Glen played on two armed forces teams in Belleville, Ontario and the Moncton, New Brunswick Hawks. After the war ended Glen returned to Haliburton and donned the

familiar blue and white of the Huskies.

Glen was such an inspiration with children that he was the first and only full-time recreation director in Dysart et al; and at the same time coached and instructed several hockey teams.

No one that ever played for, played against or played with him will recall any harsh words or criticism from Bimmy Dart and anyone that had the privilege of knowing Glen, will attest to that.

Glen continued to inspire young people until his untimely death in 1951 at the age of 31, but Bimmy left behind a legend of happiness, championships and above all his humanitarian acts as a hockey player, loving son, husband and

father. These are gone but will never be forgotten.

Glen's wife Nellie, who has participated in thirty Glen Dart tournaments will be absent in this year's tournament as she passed away last year.

To all you young participants in this year's tournament, I ask you to remind yourself of why there is a Glen Dart tournament, and you will see that it is because of someone who passed this way before, someone whom has left a legend and an inspiration for people to carry on his great name.

So to all you young participants "you will not be remembered by your scores, but rather by how you play the game."

Minden Novice wins "B" tournament

The Minden Novice team won the championship at the Gravenhurst Novice "B" tournament.

In the first game Minden beat Bracebridge 3-0. Scoring for Minden were Jeremy Phillips, who scored two goals and added an assist, and Aaron Hie, with a goal and two assists.

Steven Beaver in goal for Minden recorded the shut-out.

In the championship game Minden beat Gravenhurst 5-2.

Scoring for Minden were Aaron Hie with four goals (two unassisted and others assisted by Chris Todd and Derek Greer), and Kevin Buchanan (from T J Lee).

Both games were good team efforts as the whole team played well. For their efforts they each received a small trophy and one large team trophy to display at the arena.

The boys are looking forward to playing in the Glen Dart Tournament in Haliburton on Saturday, March 19.

Atoms

In Minden, Saturday, March 12 Haliburton topped Minden 4-1 in exhibition play.

Stephen Schrader scored Minden's only goal. Minden plays in Haliburton Friday, March 18.

Bantams

In a tournament in Bobcaygeon Minden lost 1-0 to Orono in their first game but beat Bobcaygeon 3-1 in their second.

Andy Miller scored from David Schell and Scott Russell in the first. After a Bobcaygeon goal, Glenn Hall

scored from Andy Miller and Craig Crowe scored unassisted.

In the consolation final Northminster drubbed Minden 9-2.

Scoring for Minden were John Wells from Andy Miller and Gord Wood, and Gord Wood from David Schell.

In Bracebridge on Sunday, March 13 Bracebridge beat Minden 6-1.

Scoring for Minden was Andy Miller, from David Schell and Craig Crowe. This gives Bracebridge the consolation playoff series with three wins and one loss.

The Midgets are now out of further competition in OMHA playoff action. Their last game was played

Friday night at the Dysart arena.

Local skaters excel in Minden events

The 12th annual Kawartha Highlands Intercal Competition was hosted by the Minden Figure Skating Club, Sunday, March 6.

Skaters are chosen from seven local clubs to participate in a number of different events which include figures, free skate solos and dance. Haliburton had a total of 13 skaters competing with those from Bobcaygeon, Lindsay, Bancroft, Fenelon Falls, Lakefield and Minden. Haliburton skaters were able to bring home a medal for second place winner plus three

trophies for first place.

The "Pinecrest Nursing Home trophy" presented from Bobcaygeon was won by Karen Elstone, who finished first in the pre-preliminary ladies "B" event. The second place medal winner went to Kendra Curry in the pre-preliminary ladies "A" event. The "Kinsmen Club trophy" of Bobcaygeon went to first place winner Danielle LaRue in the preliminary ladies event. The "Hollows trophy" from Lindsay went to first place winners Noelle LaRue and Lianne Scheffee for the pre-

liminary similar dance event.

Names of other skaters and categories who participated from Haliburton are Lisa Sutherland, Kristen Sauve in pre preliminary ladies "A"; Cary Billings, Elizabeth Barr in pre preliminary ladies "B"; Kathy Sauve, Margaret Reiss in preliminary ladies; Jodie McKnight in juvenile ladies; Kim Curry, Noelle LaRue, Lianne Scheffee in pre juvenile ladies.

Trophies donated for different events from Haliburton are the "J McColl Prentice" trophy from West Guil-

ford for pre-novice ladies presented by Nadine Campbell went to Sandy Schiffner, Lakefield. The "Haliburton County" trophy for Novice Ladies presented by Warden Bill Howe went to Janis Robb of Lindsay. The "Baker Family" trophy for preliminary Interpretive presented by Jennifer Baker went to Lisa Dunford of Lakefield.

All skaters are to be congratulated on fine performances also to the club pro Penny Bird who gave her full support in coaching and preparing the girls for this competition.

Gumdrops open up a five point lead on Humbugs in Candy league

Norma Parish was high bowler for the Gumdrops this week with a 562 triple and so helped the Gumdrops to take five points from the Humbugs and take a three point lead in the third series. The Humbugs and Turtles tie for second place with 16 points

each, the Smarties are third with 14 points. The Big Six follow with a total of 97 points and have a two point lead over the Chunkies who have a total of 95 points in their race for league championships.

High bowlers this week

were Joan MacKay (279, 235, 258), 772 triple; Jim Grant (204, 233) 616 triple; Mary Lou Bird (272), 606 triple; Dorothy Baker (228, 211), 565 triple.

Other games 200 and over were bowled by Marlene Nimigon, 237; Norma

Parish, 230; Betty Bennet, 215 and 212; Mary Woodcock, 215; Phyllis MacDuff, 225; Ev Stata, 217; Kay

Barry, 213; Harry Henderson, 208; Loretta Henderson, 207; Gord Bennet, 207; Vi Cornish, 201; and Iris Meredith, 200.

With only nine players in lineup, Bantams have few troubles

Two playoff tournaments took place on the weekend involving two of our minor hockey teams. Wilberforce Bantams made a clean sweep in Apsley despite only having nine players. Bancroft Pharmacy fell 5-2 in the first

game while Cox's was defeated 3-0 in their second match. It was 5-3 against the Apsley home team resulting in Wilberforce emerging the champs.

Novices travelled to Ban-

croft where Apsley defeated them 3-0 in the first game. It was Haliburton 5, Wilberforce 3 in the second meet.

March 26 will be Monmouth Cup tournament with

four Apsley teams and one Bancroft team joining our local fellows here at home.

This Saturday, March 19 our PeeWees will take part in the Glen Dart tournament in Haliburton.

"OTHER" team that while chairs may be used, tying the puck to their sticks will not be tolerated.

HeadNuts will take on their parents in Wednesday hockey action

The HeadNuts had no game scheduled this past week, but will be attending the Glen Dart tournament on Saturday, March 19 at

the Haliburton arena. They play against Wilberforce at 12:00 noon.

In preparation for this

event the HeadNuts will be playing mothers, fathers, coaches on Wednesday, at 5:00 pm, March 16. They wish to advise the

Jaro Cooper failed to connect in this try from close in. A very tough Marmora team downed the local

PeeWees 6-0 Sunday at the Dysart arena. The next game is set for Wednesday night.

Lutterworth council regular meet

The regular meeting of the council of the corporation of the township of Lutterworth was held January 20, commencing at 7:00 pm, all members being present, and reeve NR Gambell presiding.

Resolutions

• Moved by Allan E Stott, seconded by Bill Valentine that by-law number 1-83 be read a first, second and third time, passed, signed and the corporate seal attached thereto. Carried. Being a by-law to stop up and close a portion of the 66 foot unopened original shoreline (marine) road allowance in front of part of Lot 10, in Concession 12.

• Moved by Bill Valentine, seconded by Allen E Stott that council hereby supports Mr Arthur B Cottrell's proposal and application for the closure and conveyance of a portion of the 66 foot unopened original road allowance between lots 25 and 26, in concession eight -- Black Lake -- adjacent and dividing Cottrell's property parcel (being township roll number 2-109) originally conveyed from the Crown. The conditions of closure and conveyance are as follows -- land purchase price at \$250 per acre, plus all costs of closure, including survey and legal costs, to be paid by the applicant.

Relative to the December 13, 1982 correspondence received from the Ontario Ministry of Municipal Affairs and Housing, re: Ontario Neighborhood Improvement Program (ONIP) 1983/84 Program Year, council noted the invitation to municipalities to submit applications for funding under the ONIP for the 1983/84 fiscal year. The deadline for applications to be received by the community renewal branch being February 15, 1983. Subject to there being an availability of funds within the Ministry budget, the Ministry anticipates announcing municipal allocations in April of 1983.

• Moved by Bill Prentice, seconded by Bill Valentine that by-law number 2-83 be read a first, second and third

time, passed, signed and the Corporate Seal attached thereto. Carried. (Being a by-law to amend Township Restricted Area By-law no. 4-81, as amended). Re the Frank W Schaefer Re-zoning application in part of lot 21, in concession eight, adjacent to the more westerly shoreline of Gull Lake.

• Moved by G Lewis, seconded by Bill Prentice that in accordance with the revised rules of procedure of The Ontario Municipal Board, Sections 1A(1) and 1A(2), it is hereby confirmed that no official plan is in existence in the township of Lutterworth with which the above-noted by-law must be in conformity, in that:

(a) no official plan was approved and in force at the time the said by-law was passed;

ONIP program discussed

(b) no official plan was proposed but not approved at the time of the passing of the said by-law; and

(c) no official plan has been proposed since the passing of the said by-law. Carried.

• Moved by Allan E Stott, seconded by G Lewis that the road accounts for December, 1982, in the total amount of \$10,758.66, be hereby approved. Councillor Prentice declared his interest in regard to item number seven on the road accounts listing for December, 1982, and refrained from any involvement in the discussion of, and in the approval of, this statement of account.

• Moved by Bill Valentine, seconded by G Lewis, that council hereby authorizes the renewal of the agreement, dated February 27, 1978, between the municipality and Lutterworth Estates Limited (formerly, Prentice Roads Limited), in the matter of the sanding by the township corporation of the private roads within the Lutterworth Estates Mobile

Home Community, for a further term of one year, commencing on December 1, 1982, and terminating on November 30, 1983, subject to the revision of the rate to be charged by the municipality; to be set for the renewal period at the amount of \$22.24 per sanding operation required by request. Carried. Councillor Prentice declared his interest in this motion, and refrained from any involvement in the discussion of, and in the approval of, this resolution of the council.

• Moved by Bill Valentine, seconded by G Lewis, that council hereby authorizes and instructs the township's roads department to purchase one chainsaw from Highlands Sports Centre, at a total cost in the amount of \$445.86. Carried.

Council concurred with Miller's request that the township's roads department purchase a set of wrenches in metric sizes - as required for new township equipment, ie. the tractor/loader purchased in 1981.

Council was advised by Miller that Dean Swinson, a road department employee, had sustained a slight eye injury while on the job. Council noted that he had received the necessary medical attention and would be returning to work. A Workmen's Compensation Board report would be submitted by the township to the board, concerning the accidental injury, sustained by the employee.

• Moved by G Lewis, seconded by Allan E Stott that the annual petition for subsidy for the year 1982, concerning a total expenditure in the amount of \$134,991.46, for road purposes, be authorized by council. Carried.

• Moved by Bill Valentine,

seconded by Bill Prentice that council hereby authorizes and instructs the clerk to issue 1983 Bell Canada Long Distance Card Number 1F 705 286 1541 to the municipal road superintendent, Floyd Miller. Carried.

In the matter of the township's participation in the Ontario Home Renewal Program, council and Mr Hirstwood reviewed and discussed three quotations received on the installation of a new furnace - being the work required under OHRP number 39 as follows: John's Burner Service (Minden) - \$2,885.30; Coboconk Plumbing and Heating Limited - \$2,995.00; Sid Stamp Fuels Limited, \$2,543.00. The following motions were passed by the council in regard to OHRP number 39 - authorizing advances for the work to be undertaken. Council noted that Sid Stamp Fuels Limited would undertake the work to install the new furnace, in accordance with the firm quotation price.

• Moved by Bill Prentice, seconded by Bill Valentine, that council hereby authorizes that the advance, up to a maximum amount of \$2,200 for OHRP number 39 be repayable with interest at the appropriate rate per annum over a period of up to 20 years. Carried.

• Moved by G Lewis, seconded by Allan E Stott that council hereby authorizes that the advance, up to a maximum amount of \$800, for OHRP number 39 be forgivable at a rate of \$600 per annum until the amount of the loan is fully discharged. Carried.

• Moved by G Lewis, seconded by Bill Prentice that the following accounts be paid: general, \$11,277.92; library, \$8; protective inspections - \$108.46; parks and recreation, \$440.50; planning and zoning, \$1,358.48; OHRP, \$101.38; levy - \$71,144.98 (board of education/county adjustment); dumps, \$2,977.00; MNR winter experience, \$97.43; welfare, \$7,806.20; roads, \$10,758.66.

Here is the floor hockey championship team from HHSES. In the back row, from left to right, Lisa Sisson, Wanita Harrison, Michelle Parish, Lisa Williams, and

Kathleen Clarke. In the front row are Judy Finlay, Marcia Burk, Melissa Creelman, Heatehr Creelman, and Lynda Pockett.

Monmouth more than willing to participate in plan

from page 2

in favor of supporting the five eastern townships in the advertising of our areas and the information booth in Cardiff township. Carried.

• Moved by Revill, seconded by Deterling that it becomes part of municipality policy that trapping rights remain with the current trapper for municipal property until such time that the trapper no longer wishes to rain the rights or that there is a dispute with the trapping procedures and that permission be granted on an annual basis. Carried.

• Moved by Dunford, seconded by Deterling that the reeve and clerk be authorized to sign the Canadian Red

Cross Society Homemaker Service agreement for increase in rates effective January 1, 1983. Carried.

• Moved by Dunford, seconded by Clark that H J McFarland Construction Company Ltd be given per-

Natural Resources, Pits and Quarries Act, township restricted area by-law 78-6 and that all roads be left in good condition satisfactory to township road committee. Carried.

• Moved by Dunford, sec-

onded by Deterling, that the Reeve and clerk execute the deed to part lot 15, concession 15 on behalf of the

Corporation and the same be registered. Carried.

• Moved by Revill, seconded by Dunford, that where legally possible we authorize the clerk to confirm to H M Dignam Corporation that all pending sales in our municipality be completed in 60 days or the sales will be null and void with the ten per cent deposit returned less costs. Carried.

Trapping rights dealt with as well

mission to set up a wayside pit on lot 27, concession nine. Monmouth township and all works are to be completed to satisfaction of Ministry of

ended by Deterling, that the Reeve and clerk execute the deed to part lot 15, concession 15 on behalf of the

Sending my kid

by JIM WALLY

The thrill of the first few weeks of school are long passed. No more is my daughter alive with the joy of adventure, seeking out the fun of new friends, learning all there is to know about the new teacher. No longer is she up with the sun and ready to go. No now it's dragging her into the bathroom and splashing cold water onto her lifeless form; trying to arouse a spark of life into which a swallow of milk and two mouthfuls of porridge can be forced in lieu of a balanced breakfast.

Then the rush for the bus starts. I round up her books while my wife rams her into jeans and a top. Then while my wife tries to brush some order into her maze of long hair, I make a peanut butter and jam sandwich. Meanwhile our daughter twists and squirms, and yells she is going to be late for the bus. At last she is rushed out the door by her mother while I grab her lunch bag and her books into her hands.

We watch, breathlessly, as she runs down the drive; her lunch bag in her teeth, her jacket half on and waving one arm trying to catch the elusive loose sleeve.

SHE MADE IT!

We slowly collapse into our easy chairs, the effort drained us both. It is only after three or four cups of coffee that we can face the day.

Our evening meal has become a running saga of the adventures of Kelly and our daughter. Kelly is a blonde girl, with braces on her teeth, who can change from the bestest friend to the worstest enemy and back again all in the matter of 24 hours.

Somedays our daughter is a tomboy, rough and ready for anything. Next she has about-faced and is spending hours in front of her mirror brushing her hair and just primping. The very next day she is spending hours playing dolls. I never know what to expect next.

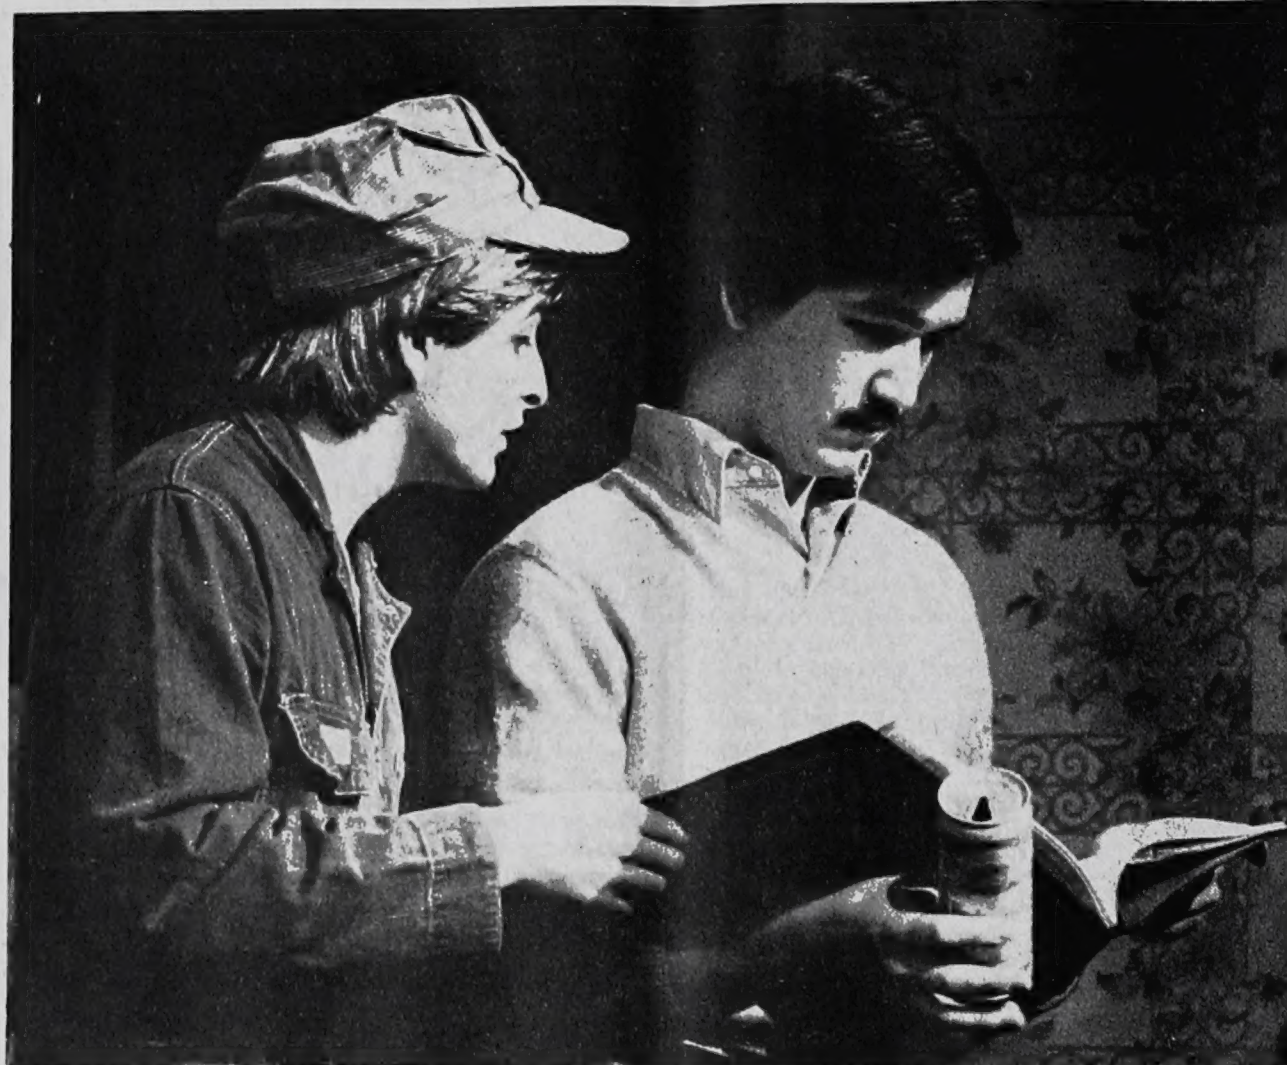

One thing I know always happens; half an hour before bed time she remembers her homework. There are maps to draw and color, as well as places to find and mark; history to look up in the name of social studies; paragraphs to write for comprehension (English to the common layman) and verbs, nouns, adverbs and adjectives to find for language.

Then comes math. We have to figure out fractions and decimals. Two hours after her bedtime, I wonder how I ever got passed grade five.

In the Deep Woods

Strolling through the deep woods,
I saw a little man --
About a foot high, clothed in green --

Please turn to Page 9

Craig Bugden (left) as Pop and Jamie Wooden (as Sid Sorokin) have a look at Pop's stamp collection, much to Sorokin's displeasure. He had been hoping to have a few words with Pop's daughter, Babe Williams (played by Wendy Sicard). *The Pajama Game* was a delightful presentation, and attracted large crowds to all three performances.

Senior League

by BERT HARRISON

I should be starting a letter out to you, and here I sit upon my bed feeling rather blue. How can one gather news if one can't go any place. So I just sit around my room and look into space. You can't do this, you can't do that, you must not climb the stairs, all that you're supposed to do is sit in easy chairs.

You can't go to chapel service on a Sunday night, to hear what Rev Burgess says to keep us living right. You can't go to fun and fitness to see what's doing there, unless someone wheels you in a wheelchair. Jack Stewart has been so good to take me to meals, but when you have to

be waited on you know just how it feels. If the Lord hadn't been so good to me in days gone by I think I would sit down and have a real good cry.

But I should not be sitting here feeling sorry for myself. I was hoping for a few more years before they laid me on the shelf. I'll just cheer up and do my best to tell some of the happenings here at Hyland Crest.

Rev Wicks of Minden Gospel Church took the service in the chapel on Tuesday. Barbara came to sing, and Agnes came to play. After the service Rev Wicks came down the stair, read a portion of scripture and remembered us in prayer. Many residents

of Hyland Crest have had bad colds, some in the throat others in the chest, one poor lady stepped outside didn't know what to expect, had no scarf around her head and got it in the neck.

Bill Payne and Eldon Deacon came Tuesday night, entertained us for an hour and did the job just right. When the program was over, they came downstairs, sang a favorite tune or two before we said our prayers.

Ladies are busy in the craft room and you should see the dolls. Baby dolls and grand-ma dolls, white and black and yellow dolls. Some in party dresses, some in overalls.

Everything is pointing to

an early spring. The frogs are croaking in the swamp, the birds are on the wing. Today the sun is shining, everything seems grand; the farmers say if it stays this way they'll soon be on the land.

Wednesday night the "Sour Notes" from Lochlin came over to our gym, they entertained us for an hour with lots of zip and vim. When they first started we thought that they were pickled, but when they had performed for us, why we were really tickled.

The United Church ladies from Maple Lake came Thursday afternoon served us with a dainty lunch, and

Gliddon's Requiem is to be performed in April

Bill Gliddon's *Requiem* for Terry Fox, Opus seven will be performed at St George's Anglican Church, Haliburton, at 8 pm on Friday, April 15 and Saturday, April 16. The Requiem is a 50-minute sacred musical tribute to Terry Fox, composed for choir, two trumpets, organ and percussion. This will mark the first performance of the work.

Since the church is small and seating may be limited, seating tickets are being made available for each evening. They are free, and

will assure the ticket-holder of a seat until 7:45 pm at which time non-ticket holders may fill the remaining seats. At the composer's request, there will be an opportunity for voluntary donations to the Marathon of Hope Fund of the Canadian Cancer Society.

Seating tickets will be available from the middle of March at the Health Shelf on the main street of Haliburton. If all tickets are given for the Friday and Saturday performances, a further performance on Sunday evening, April 17 will be considered.

Canada's wildlife stands are not popular overseas

by RON REID
Fed. of Ont.
Naturalists

Most Canadians like to feel that our reputation in other countries is a favorable one, in that we are seen as a responsible, progressive country. Unfortunately, our stance on international wildlife issues is doing much to earn us a well-deserved black eye.

Our major public relations problem, of course, is the seal hunt. But Canada has also drawn fire for its refusal to help end the hunting of whales over the last few years. Now we are playing

an equally backward role in the Convention on International Trade in Endangered Species, or CITES.

CITES is designed to help save endangered wildlife by stopping trade in the commercial products derived from these threatened species. The Convention can be used to control traffic in ivory, for example, or endangered parrots for the pet trade, or exotic furs from species such as ocelot. Such trade is big business - a typical year in West Germany, for example, sees \$50 million of wildlife imports.

Red Cross water safety program set for area

by LEOPOLDINA DOBRZENSKY

The Red Cross Water Safety programme will get underway again this summer, at Haliburton and West Guilford.

A certified Red Cross swimming instructor, as well as an assistant instructor, will be needed. The duration of the program is eight weeks. Starting date is July 1, hours 9:00 am to 3:30 pm. Only qualified instructors between 16 and 25 years of age should apply. For further information, contact Vicky Ross at 754-2544.

Ramon Taranco, a young composer/guitarist will perform at the Minden Library and Cultural Centre, Tuesday, March 22 at 7:30 pm. Ramon was born in

Cuba and received his musical education at the Toronto Conservatory of Music. Today, having both studied and taught classical guitar, Ramon has begun to compose his own music.

Homeowners who insulated with urea formaldehyde foam can apply for a government grant of up to \$5,000 per dwelling to have this insulation removed.

To obtain an application form, it is necessary to call the UFFI program at 1-800-567-6870. This toll-free line is open from 7:00 - 7:30 pm.

Authorization to proceed with the work is given by Canada Mortgage and Housing (CMHC). It is recommended that you choose a contractor registered with UFFI to do the work.

Senior league

from page 8

led us in a sing song with some good old tunes. It's nice to have these different groups coming in each week to give us added pleasure. Thursday night the bingo was conducted by Margaret Prentice, their two boys and Don Crowe. Thank you for coming to put on the show.

Alfred Richardson has changed his mind. He thinks it's for the best; he will stay single then. What he will do when he is through is anybody's guess. Some of our friends have been in hospital and we welcome them back.

Grace Coburn, who lives just across the lane comes each Friday afternoon to help to entertain. Fred Ballard

comes along when Norma isn't here, these three we hold most dear.

We hear the card party turned out grand. Mrs Art Porter won the most points and Bob Smith the most lone hands. Our administrator is a very modest man, he avoids the limelight whenever he can. He had a birthday on March the twelfth day, he was going to let it slip by and wouldn't say. From the residents, kitchen staff, and all the nurses too, all the very best is what we wish for you.

You come each morning and greet us with a smile, and isn't that what makes life worth while?

Our image is tarnished

from page 8

Two years ago, the Canadian government introduced a resolution of the CITES meeting that would have led to massive delisting of protected species. Even though that resolution failed to pass, another Canadian proposal did lead to a down-grading of protection for the North American gyrfalcon. This year, Canada is setting a similar treacherous pattern. Our representatives

will oppose any ban on trade in whale products, or any regulations on trade in seal furs.

On your behalf, they are also proposing that timber wolves, grizzly bears, river otters, lynx, bobcats, and bighorn sheep be removed from the protection of international controls.

Some of Canada's objections are based on a conflict with our fur industry.

John Stainton (left) is instructing a course in intermediate guitar for Sir Sandford Fleming College this year. Besides guitar courses there are countless other

fields available to local people -- from self defence to arts and crafts.

Bicroft council opposed to rate increase

The council of the township of Bicroft held a regular meeting on February 24, 1983 at 8:00 pm in the community centre. In attendance were W G Howe, reeve, D R Bailey, councillor, A O Easton, councillor, J S Fraser, councillor, W J Todd, councillor, and S A McColl, clerk-treasurer.

Resolutions

• Moved by D R Bailey, seconded by J S Fraser that the minutes of the previous meeting being dated January 27, be approved as read. Carried.

• Moved by W J Todd, seconded by A O Easton that disbursements sheet number 83-2 containing voucher numbers 5841 to 5900 in the amount of \$35,622.87 be approved for payment. Carried.

• Moved by W J Todd, seconded by A O Easton that Patricia West, Patricia Ray,

Margie Fults, Robert Nixon, Robert Riddell, Jack Todd and Jim Fraser be appointed to the recreation committee for 1983. Carried.

• Moved by D R Bailey, seconded by J S Fraser that Alex Martins be appointed Bicroft's representative on the North Hastings Community Centre Commission for the year 1983. Carried.

by-law to provide for interest to be added to tax arrears be given a first, second and third reading and finally passed. Carried.

Let it be noted that the statement of the treasurer, prepared pursuant to section 243 of the Municipal Act RSO 1980, as amended, was presented to each council member for the year 1982.

mit issuer for 1983. Carried.

• Moved by D R Bailey, seconded by J S Fraser that we express our objections to the CRTC regarding the proposed rate increase for the Cardiff exchange of Bell Canada and copies of same be sent to Bell Canada, Cardiff Township and Faraday Township. Carried.

• Moved by W J Todd, seconded by A O Easton that \$25 be donated to the North Hastings Musical Festival Association. Carried.

Faraday, Cardiff agree

• Moved by A O Easton, seconded by W J Todd, that by-law number 83-2 being a by-law to establish a penalty charge for non-payment of current taxes be given a first, second and third reading and finally passed. Carried.

• Moved by D R Bailey, seconded by J S Fraser, that by-law number 83-3 being a

• Moved by A O Easton, seconded by W J Todd that a contribution of \$25 be forwarded to the St John Ambulance Society for 1983. Carried.

• Moved by J S Fraser, seconded by D R Bailey that Steve Ryan be appointed fire warden for 1983 and Sandra McColl be appointed a per-

• Moved by A O Easton, seconded by W J Todd that the clerk-treasurer be authorized to receive a leave of absence from April 27 to April 29, 1983 inclusive and further that time be taken in lieu of overtime. Sherie Charbonneau will be acting clerk-treasurer during this time frame. Carried.

Writers' Corner

In the Deep Woods

from page 8

Until he moved, could scarce be seen.
A very busy man was he,
In his own, little way.
And so I went and spoke to him
To see what he might say.
I said, "What do you, little man?"
He answered, "I do what I can."

Far in the forest, I found a glen --
Oh rare and wondrous day --
For there I spied a fairy ring
Wherein the fairies dance and sing;
And luck was mine, one came my way.
She hovered where I hidden lay.
Softly I whispered, great was my hope
To hear her answer ere the spell broke.
"What do you here, deep in the wood?"
She answered, "I do what I should."

Enigma

(In keeping with the recent meeting on World Peace held last Sunday.)

Enigma

There is a hunger that fasting can't quell
And a thirst that elixir can never dispell.
The brightness of morning can't black out the night

And the soul is repelled by the dawn's early light.
Ah the summer is cold
And the winter is hot,
To possess is to have,
And to have, but have not.

A thought is a thing you can't hold in your hand
Like an infinitesimal grain of sand
But a thought can move mountains that tower above,

And a thought can foment the beginning of love.
Oh the passions that through the mind abound
In one long never-ending sound.

In the world's destiny, each man is a brother
But we still have not learned how to love one another.

If we needed some text from the spires above
We could find our won peace in the arms of the Dove.

And God in His mercy, his will would be done,
And the Hawk could not fly in the rays of the sun!

"Skate Odyssey" delights crowd

The Haliburton Figure Skating Club presented "Skate Odyssey" for their annual event held Saturday evening before a large crowd.

The Dysart arena was the setting for Outer Space with rocketships, stars, balloons in blue and white. Skaters wore costumes such as Darth Vader, Space Maidens, Luke Skywalker, Princess Leah, ET and Spaceship Commander.

Skaters who range in age from preschoolers to teenagers put on a skating display that frequently gave the girls and boys a chance to display the skills and techniques of figure skating which they have been working on throughout the winter under the directions of Penny Bird. Many of the skaters performed in the InterClub Competition held recently in Minden.

A number of solos were featured throughout the program; by pro Penny Bird, Kendra Curry, Carrie Billings, Danielle LaRue, Kristy Sauve, Elizabeth Barr, Margaret Reiss, Jodie McKnight, Lianne Scheffee, Kim Curry, Lisa Sutherland, Noelle LaRue, Fraenzi Greber, Kathy Sauve, Karen Elstone and a dance number by Noelle LaRue and Lianne Schef-

tee. The evening began with Meteorites performed by Sabrina Pringle, Lauren Wilson, Andrea Wilson, Kristy Barkwell and Marty Dettman. Munchins with CP Robot and Darth Vader were brought to life by Abigail Pierce, Tracey Dillon, Cori Barkwell, Molly Suckling with Michael Hartwick and Daniel Selbie.

As an added attraction a precision number was performed by the Bancroft Skating Club.

Skaters from Kinmount who practice on an outside rink in their village joined local skaters in chorus lines all who did an excellent job.

After the grand finale skater Eliza O'Neil unable to perform as the result of a recent skiing accident presented Pro Penny Bird, and President Emily LaRue with gifts. Junior Skater Sabrina Pringle also presented gifts to Chantal LaRue and Kim Burk who assisted in coaching junior skaters throughout the season.

A draw for \$100 was won by Jack Brohm of Haliburton. Ticket was drawn by skater Tanya Easton.

Skating will continue on its regular schedule. There will be no skating during the March break.

At the bottom left are skaters from Kinmount. Above left is Noelle Larue, and at top right are the Bancroft Precision skaters. "Skate Odyssey" drew large crowds to the Dysart arena. All who attended enjoyed the proceedings.

THE CORPORATION OF THE TOWNSHIP OF CARDIFF

IN THE MATTER of The Municipal Act, R.S.O. 1980, Chapter 302, as amended,
AND IN THE MATTER of a by-law of the Corporation of the Township of Cardiff to stop up, to close, and to sell to the abutting landowners that part of the original allowance for road more particularly described in Schedule "A" annexed hereto.

PUBLIC NOTICE

TAKE NOTICE that the Council of the Corporation of the Township of Cardiff proposes to enact a by-law to stop up, to close, and sell to the abutting landowners that part of the original allowance for road more particularly set out in Schedule "A" annexed hereto.

The proposed by-law will come before the said Council for consideration at its regular meeting at the Municipal Offices in the Township of Cardiff, McGillivray Road, known municipally as RR#3, Bancroft, Ontario, on Friday, the 8th day of April, 1983, at the hour of 7:30 o'clock in the afternoon, and at that time the Council will hear in person or by his counsel, solicitor, or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

DATED at the Township of Cardiff, in the Provincial County of Haliburton, this 17 day of January, 1983.

NOTICE

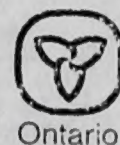

In the matter of the Municipal Act and in the matter of a proposed by-law of the Township of Glamorgan to close, stop up and convey a portion of the original allowance for road between lots 30 and 31, concession 7, being designated as parts 2 and 4 on plan 19R2778.

NOTICE IS HEREBY GIVEN, that pursuant to The Municipal Act, R.S.O. 1980, Section 298, the Council of the Township of Glamorgan proposes to consider, and if deemed advisable, to pass at its regular meeting to be held in Council Chambers on April 6, 1983, a by-law to close, stop up, and convey the following:

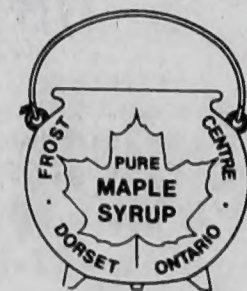

Those parts of the original allowance for road between Lots 30 and 31, Concession 7, Township of Glamorgan being further designated as Parts 2 and 4 on a Plan of Survey by Deardon & Stanton Limited registered in the Registry Office for the County of Haliburton as Plan 19R2778. Said Plan 19R2778 is available for inspection at the Township of Glamorgan Office at Gooderham, Ontario.

AND TAKE FURTHER NOTICE that, before the passing of this by-law at the meeting to be held on the date and in the place above mentioned, the Council of the Township of Glamorgan shall then and there hear, in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said by-law and who applies to be heard. Dated at Township of Glamorgan this 2nd day of March, 1983.

Bring the Family for an Enjoyable Day!

Norland Natter

by KELLY GRAHAM
 Hil Well it was a busy week in Norland. Looks as if you're in for a long column this week. The weather has been turning really warm. Remember, just a short while 'till bikini season!

Hey Kevin! Did you enjoy eating the fish that didn't get away?

A testimonial evening and dance has been arranged to honor Mr Jack Ridgway on March 25. Presentations are to take place between 8:00 pm and 9:00 pm followed by a dance. Light refreshments will be served.

Mr Ridgway's impressive record in public service for the townships of Laxton, Digby, and Longford is as follows: councillor, 1960-63; clerk - treasurer, 1964-69; building inspector, 1968-72; secretary - treasurer of cemetery board, 1962-72; and reeve, 1973-82.

In addition to being a pleasant and entertaining evening it will be an excellent opportunity for local residents to say their "thanks" to a man who has given so much to our municipality.

My deepest sympathies are extended to David and Margaret Suckling of Norland on the loss of their foster daughter Marlena Margrethe Andressen.

I was also saddened to hear of the death of a young relative of mine in Ireland.

"Wee Helen" Orr. Although I only met her once when I was very young and do not remember her, my grandmother Gunn and Aunt Helen (Graham) of Norland spoke of her often.

Grandma Gunn and Colleen Janke had a very happy visit with her and her husband when they were in Ireland last summer. I'm sure they have many happy memories of her and her family.

Another person saddened by a recent death is Marg Morrison, wife of the late Bill Morrison who passed away last March 4. Mr Morrison had lived in Norland for approximately ten years and was taken to his original home in Manitoba for burial.

My congratulations to Dwight and Ruth Angiers. Recently Ruth gave birth to a healthy baby girl who has been named Amanda Mae.

Also, Margaret Abbot (formerly Margaret Quinn of Norland) gave birth to a baby girl last Tuesday, March 1.

Terry and Shelly Janke of Norland would like to take this time to thank all of their guests who attended their satellite demonstration on February 21. If you missed the demonstration or would like some information about satellite dishes please call the Antenna Man at 454-3581.

Last Saturday, March 5 there was a teen dance held

at the Norland Community Hall. Quite a few kids showed up and I think a good time was had by all.

Mrs Mary-Lou Pyke of Norland and Mr Clyde Pardy of Coboconk left yesterday (March 9) to visit Mrs Pyke's cousin in St John's, Newfoundland. They are staying for two weeks.

As many of you know March 18 is the last school day before the school is closed for the spring break.

School will again resume on March 28. Speaking of school: the Home and School dance has been changed to April 23 as the band won't be available for April 30.

Next March 16 and 17 the students of Fenelon Falls Secondary School will be putting on a play called Cafe Theatre. It sounds like a good show and two students from Norland are acting in it: Linda Janke and Tracey Cook.

The price is \$2.50 per person and refreshments will be served. For information about tickets please contact Tracey or Linda.

I would like to apologize to Shirley Harrison. Last week I said she would no longer be drawing for Wintario toques. That is true. However, she will be drawing for a ticket every week - not a book as previously mentioned. The winner of last week's free ticket was Vincent Eason.

The winner of the hockey pool for Saturday, March 5 was Vernon McCraw. Lucky

Vernon!

Some other people who have been blessed with incredible luck are Mr and Mrs Ron Chynoweth of Coboconk. The happy couple have won a free trip to Switzerland. They will be leaving sometime in September. All it took to win this fabulous prize was the purchase of a ticket. They have not as yet received all the details of the trip and I will try to get further details later.

How many of you remember Gary Epps who used to live and attend school in this area? Just last week Gary, his wife Myrna, and their baby Rachel were visiting with us and some of his other relatives in the Norland area. Gary is presently residing in Peterborough.

There was a hall board meeting held at the community hall on March 9. The board will ask the council to pay for the enlarging of the kitchen at the community hall. The executive remains the same as last year: president, Grace England; secretary, Beverly Graham.

The euchre scores for Thursday, March 10 were as follows: ladies high, Susan Lightfoot; men's high, Mike Putterbough. Lone hands, Tracey and Norm Shorter (tie).

Well that's all the news I can think of for this week. If you have any interesting items please call me at 454-3707.

Coboconk News

by SHEILA LAKE

The Coboconk and district Horticulture Society met Tuesday evening in the community hall to have their formal formation. Mrs F Brown of Fenelon Falls, assistant district director, was in attendance to chair the meeting for election of officers. Officers were elected as follows:

President, David Suckling, vice-president, Harold Alton, treasurer, Mrs Margaret Richardson; secretary, Mrs Enza Suckling; auditors, Mrs Betty Moore and Mrs Shiela Lake.

Directors for two years are Mrs Peggy Pratt, Mrs Flo Alton, Mrs Margaret Minahan, Mr Minahan, and Mr Guy.

One year directors are Mrs Chris Kerr, Mrs Jessie Cameron, Mrs Roslyn Cameron, Mrs Myrtle Faulkner, Mrs Mary Chynoweth, and Mrs Taylor.

Following the formation meeting the executive mem-

bers met at the Alton home on Friday evening, March 11 to make further plans. It was decided to hold the meetings on the fourth Monday of each month. The executive is to meet half an hour early at 7:30 and the general meeting will be at 8:00 pm in the upstairs room at the community hall. If you wish to become a member, phone Mrs Flo Alton at 454-3392.

Winners in the seniors euchre held Tuesday evening were as follows: ladies first, Annie Watson, 69; ladies second, Ethel Farrow, 68; lone hands, Robinette Harding, three; consolation, Jean Thompson, 49; men's first, Donald Alguire, 72; men's second, Douglas Taylor, 68; lone hands, Don Alguire, four; and consolation, Charlie Brohm, 39.

Bridge winners were: first Ruth Brown (4220), second, Phyl Pearce (3210), and consolation, Jean Shields (1760). Visitors of Mrs Ruth Rutter and Garnet last week

were Mr and Mrs Wayne Rutter of Wilberforce and Mr and Mrs Cam Grozell and baby of Oshawa.

The Cam Grozelles later visited his grandparents, Mr and Mrs Grozelle on Davis Lake Road at Miner's Bay.

Mr Walter Marles of Lindsay visited his mother, Mrs Annie Marles last weekend. Mr and Mrs Zeke Munroe; Mrs Ada Irwin and friend Verna, all of Lindsay, were visitors of Mr and Mrs Ross Faulkner and Mrs A Marles on Thursday.

Mr Ernie Stewart of Uptergrove was a lunch time visitor at our house on Wednesday. Mr and Mrs Wayne Downes, David Orr and Grant Lake, and June Maynard all visited Norman Maynard in Sunnybrook Hospital, in Toronto last week. Mrs Audruss Peel and Isobel Wessell are home after spending some time with Jack Peel, who has been very ill in Sunnybrook hospital.

The Convention at Faith Tabernacle the past week saw a good attendance and was a real success.

A very attractive building was moved to the parking area on the northeast side of the bridge, as you approach town from the south. The building was placed there by a Bexley work crew late Friday.

We hope this will be a mini Chamber of Commerce or information booth, which is something badly needed. More about that later.

We have seen robins in our part of town and though we are having a few quite cold days you can be sure we'll soon have warm weather back again! It's a promise!

Mrs Rita McNeil of Haliburton visited Ben and Ethel Farrow on Thursday.

Dean Grozelle of Oshawa visited his grandpa, Edwin Grozelle, and Uncle John Grozelle last week and also called on great aunt Cora Lake.

Gooderham News

by MARY HADLEY

The progressive euchre parties are continuing each Wednesday evening in the community centre. The increased number of patrons report a good time, which is encouraging.

Anne Franke is in charge and has worked tirelessly to make these evenings enjoyable. Your support is solicited. Where else can you get so much fun for such a small admission?

Visitors with Ruby Maxwell last weekend were her daughter and family of Barrie, Birdie and Larry McGahey, Cindy and Larry Jr. Margaret Pickens flew to

Thunder Bay for a short holiday with her daughter and son-in-law, Christine and Tom Harkness, and grandson Jamie.

The UCW met last Monday at the home of Shirley Madill. Grace Billings presided. As part of the devotional, Jean Goff presented the topic on the Nursery Rhymes showing how each one conveyed a biblical message. The talk was interesting and showed how they came to be written and brought new meaning to these beloved rhymes. Following a business period, Shirley served a dainty lunch.

Last Sunday a fish derby was held at Koshlong Lake with several fishermen from Gooderham among the competitors. Murray Hunter won third prize by bringing in a seven pound, four ounce trout. Other locals were lucky in the draws. Vince Billings won a hairdryer. Grant Hunter and his son, Cory, each won food vouchers. Arnold Graham was the winner of a dinner at Dixie Lee for catching the smallest fish. He also received a gift certificate in the draw.

Congratulations, anglers! I'm sure it was a "fun" day! The previous week, Gary Mintz won the prize for the

biggest fish caught in Grace Lake.

Three of our local girls are thinking of their future careers and are considering nursing. They are now in the teenage volunteer program in the Haliburton Red Cross Hospital under the auspices of the Women's Auxiliary. These girls are: Diane Madill, Melanie Dewey and Maurine Billings. They look smart in their candy-stripe uniforms. I'm sure their eight to ten hours weekly as volunteers will prove rewarding as they bring sunshine to the patients there.

Last weekend Dale and

Wilberforce News

The Lloyd Watson Memorial Centre is a favorite spot for dancing especially when the music has a good beat. The St Patrick's dance held on March 12 drew a good crowd of happy couples. The success of the evening was encouraging for members of the Recreation Committee who put much effort into the organizing and running of the event.

On Saturday the fire alarm sounded causing all within hearing distance to shiver with fear and wonder what homestead was in need of help. This time it turned out

to be one of the Veneer Company's skidders that was parked right in front of the fire hall. First fireman on the scene was a new recruit, Ted Nottage, who seized an extinguisher and soon had everything under control.

Members of the curling rink send best wishes to their president, Keith Cameron who is greatly missed by all. Many people have remarked on the fine painting job that Keith did in the curling rink just a short time ago.

Mrs Sylvia Cameron has some astra wool suitable for the making of baby garm-

ents. These knitted garments, infant jackets, bonnets etc. are sold in local bazaars such as that held during Country Good Times. The money is then used by the Red Cross in times of disaster in the project known as AID, for those in dire need at home or abroad. If anyone would care to do this knitting for the Red Cross please get in touch with Mrs Cameron at 448-2824.

The Monmouth curling club have had a good season. The president's cup held March 12 will probably be the last of the bonspiels for

this year. The bonspiel consisted of eight rinks taking part and resulted in the rink of Fred Berning taking first spot, Al Bronson of Bancroft coming second, Glen Ingles third, T Vines rink of Bancroft fourth and Jack Watson in fifth spot.

The rink of Fred Berning has been outstanding this year taking everything by winning the club's trophies for the men's team, the mixed and the men's playoff games. The club is considering entering this unbeatable rink in the Brier next winter.

Dorset News

by PHYLLIS BRISCOE

"Know the true value of time; snatch, seize, every moment of it. No idleness, no laziness, no procrastination; never put off till tomorrow what you can do today."

The spring-like weather is still courting us. We did have some gray days with a bit of rain, but no snowfall, although it was predicted on several occasions. I haven't seen any robins yet, and I keep watching for some little green shoots of spring flowers coming through the ground but so far none have appeared. The lake is looking as though it wouldn't be safe to travel on, it really watered up during the sunny days but the surface has frozen over again. But I'd think it would be treacherous.

Next week is March break week and we hope that the weather stays nice for the

school children and staff, so that they may enjoy their holiday.

We are happy to welcome Mrs Len (Eileen) Barry home after she spent some time in the Toronto Orthopedic Hospital. She seems to be coming along fine but is still incapacitated to a point and will be for some time. She is on a therapeutic exercise program at home and we wish her a speedy convalescence.

The Dorset Snowmobile Club is holding a St Patrick's dance on Saturday, March 19 at the Dorset Community Centre at 9:00 pm with music by Sound 101. Everybody welcome.

Jack and Irene Clayton have returned from a trip to Florida. They stayed at Redding Beach and stopped at Myrtle Beach on the way home. Their daughter Barbara Bevilacqua, her husband Carlo and their two daughters, Amy and Angelo,

as well as Carlo's parents were in Florida with them, making for an enjoyable family holiday.

There is still a vicious flu virus in circulation in the area with some people experiencing high temperatures and a deep-seated cough, we hope that the people who have been afflicted will soon be out of the woods for good, as the illness seems to recur and is very difficult to get rid of.

Back in 1915 a man by the name of Fitzgerald operated the Dorset Hotel, I think maybe it was called the "Iroquois" at that time. Be that as it may, Mr Fitzgerald had a sense of humor and apparently, some journalistic ability. He published a small paper and called it the "Dorset Drainpipe." It was printed periodically, I guess when the editor thought he had some spicy news. It was almost a scandal sheet but I guess everyone took his

barbed and suggestive remarks with a grain of salt. A copy of the first issue has been unearthed and reproduced and is on sale at the local places of business, the proceeds to go to the Dorset Community Building Fund. Should be interesting to find out what was going on in Dorset in those days.

Visitors at the home of Jack and Millie Park last Wednesday, were Mr and Mrs Gary Carey, of Gooderham. Mrs Carey was Alvin Leeder and lived with her family, the Stan Leeders, in Dorset before her marriage.

H.H. When a contact lens is lost in the house use your vacuum cleaner. Stretch a piece of nylon hose over the end of vacuum tube and secure with a rubber band. The suction will recover the lens and it won't be sucked into the vacuum bag.

Minden players helped out Haliburton Huskies

Letter to the Editor:

In reply to the two articles in your March 2, 1983 issue on the play of ex-Huskie players from Haliburton playing for Minden Juveniles and where the cause of Minden losing the game. It is sad that two people in Minden, could be so narrow minded.

I coached the Huskie Junior "C" team for awhile in the 1982/83 season. When I looked down the bench at the line up of players I had, out of 17 players on the bench, eleven were from Minden. We did not have a good season as everyone knows, but never once did I hear a Haliburton player put the blame on a Minden boy for the loss. You play as a team win or lose.

As for the game in Minden on February 25, 1983 between Minden and Thornton, Kevin Warburton, who is an ex-Huskie, scored two of the three goals Minden got that night -- what else do you want. As for putting Scott Rae down for his penalties, the guy is a good hockey player, and when on the ice, he has the puck most of the time, so naturally the other team is constantly after him to get it back. Over the past ten years, I have coached most of the boys on the Minden team.

They are a super bunch of guys, and when playing the game of hockey will always give everything they've got to win a game."

They were beaten by a big and better team from Thornton. Thornton team is made up of mostly 18 year old boys as Minden team has at least five 16 year old boys on it.

To the Minden team it was a good effort, but you still lost. To the winners I congratulate and to the losers I pay respect. To the young men from both towns lets try and keep the friendship between the two towns going, and try and set an example for the adults and businessmen in the two towns who can't get along. The good Lord did not just put us on this earth to hate your fellow man because he happens to live in a different town then you.

I would just like to thank the Minden Minor Hockey for the excellent treatment my son Kevin received while playing for the Juveniles. As for the ladies who wrote the article, this is the kind of garbage that has kept Northern Ireland people fighting for years. Let's put it behind you and get on with your hockey season.

Yours truly,
Gary Warburton

Let's end the great resource giveaway forever

To the Editor:

Over the last twenty plus years, money has been pouring into third world countries for geological surveys, exploration and development of the many mineral deposits, some of these mines processing 100,000 tons per day. Some are financed by Canadian mining companies.

This information is, and has been, freely available to anyone in the American Engineering and Mining Journals. Outside of gold, coal, and uranium, perhaps nickel and a few scarce minerals, mining in Canada, from my point of view, is no longer competitive. The frantic scramble to get rid of our last timber resources does not need describing; it is too sickening.

A news item states that powdered milk, being overproduced, is being fed to pigs in Europe, which is pretty well self-sufficient in food production; our food exports could diminish. A blind

man could have seen the hoax regarding our supposedly vast oil reserves, which we gave away also. Because of energy costs, the trend is to smaller homes in the USA. The Star, February 20, 1983, said "the trend is to larger homes in some areas." Canadians were the last to swing to small cars and we will likely give away our water resources also, eventually. This puts us back below square one, because we won't need the axes to hew wood, or the pails to carry water.

The palatable realities we have carved out for ourselves by giving away our resources - how much will they be in harmony with the true realities with which we must eventually come face to face, over which the government will have little control!

Yours sincerely,
David Frazer
Gooderham

Thanks community for fighting against CF

To the Editor:

On behalf of the Canadian Cystic Fibrosis Foundation (Durham Chapter), I would like to thank the community of Haliburton for the wonderful way in which it pulled together to raise close to \$800 in the fight against cystic fibrosis, a life-threatening disease for children.

A sincere thank you is certainly in order to the Industrial League All-Stars and the 1970-71 Huskies championship team for donating their time for the benefit hockey game which was played on February 26, 1983.

The Kinsmen Club of Haliburton must also be congratulated on their assistance in the coordination and realization of the benefit hockey game. The support of this organization was greatly appreciated.

I feel that it is only fitting to mention my appreciation of the following people who donated freely of their time. Many thanks go to my mother, Scotty LaRue, Bill Davis, Sheldon Nicholls, Mr Baker, Roy Smith and Irene Roberts.

Yours sincerely,
Gerry McElwain

STUDENTS

The 1983 Summer Job Experience

The Ontario Government wants you to have a job this summer. Summer Experience '83 is your opportunity to work on one of over 100 employment projects in government ministries and community organizations throughout Ontario.

Summer Experience '83 positions are designed to complement your skills and interests. You can apply for projects ranging from working on a farm or in a newspaper office, to working with handicapped people or operating a computer. In many cases you may get involved in providing important services to your own community. And, your on-the-job experiences could help you make important career decisions.

Summer Experience '83 positions are open to persons between the ages of 15 and 24 and eligible to work in Canada.

HOW TO APPLY

The Summer Experience '83 Guidebook and application forms are available at all college and university placement offices, all secondary schools, and all Canada Employment Centres in Ontario.

Study the project descriptions in the Guidebook and apply to projects which appeal to you -- and for which you feel most qualified.

We expect to receive many more applications than the number of jobs available. You are strongly urged to explore all other potential jobs in case you are not hired through Summer Experience '83.

DEADLINES

Unless otherwise stated in the Guidebook, application deadlines are: For Post Secondary: April 5 '83. For Secondary & All Others: April 15 '83. Apply Now.

Galway and Cavendish council holds second regular meeting

The second regular meeting of the council of the townships of Galway and Cavendish was held in the township office on Saturday, February 26.

Present were Reeve Carl Brickman, deputy-reeve Jean MacLellan and councillors Harry Stuart and Roy Carswell. Staff members present included Joan McCausland, clerk-treasurer, and Jim Pennington, by-law enforcement officer / chief building official. Visitors to the meeting were Jeff Loucks, representative of the Residential Rehabilitation Assistance Program (RRAP) Federal Government, Garry Faulkner, ratepayer, and Harry Platt, township representative of the Kawartha Region Conservation Authority Board.

Garry Faulkner attended the meeting to discuss the zoning of his property, plan three, lot 11, in Cavendish township.

• Moved by Stuart, seconded by MacLellan that council go into committee of hte whole to discuss the zoning of Faulkner's property, plan three, lot 11, Cavendish. Carried.

• Moved by Carswell, seconded by MacLellan that the committee of the whole dissolve and the council meeting resume. Carried.

• Moved by Stuart, seconded by MacLellan that Faulkner have his solicitor prepare a draft by-law for the zoning of plan three, lot 11, Cavendish at his cost and further that the draft by-law be presented to council no later than June 15. Carried.

COUNTY OF HALIBURTON ROADS DEPARTMENT

ATTENTION TRUCK OWNERS

All truck owners who are interested in working for the Roads Department in 1983 are required to complete forms that are available from the County office. All forms to be returned by 4:00 p.m. April 13th, 1983.

W.E. Obee, County Engineer,
Box 399, Minden, Ont. K0M 2K0
705-286-1762

THIS AD COULD BE ALL THAT'S STANDING BETWEEN YOU AND A FOSTER CHILD.

On the surface, it's not difficult to have a mistaken impression about foster care.

And if you never take the time to crack the surface, and find out the facts, you might very well be denying yourself, and a foster child, a very rewarding experience.

Your willingness to care may be all the qualification you need to be a foster parent. Financial assistance, guidance and support are available to foster parents.

The personal rewards of sharing your love with a child or young person who really needs you are very great.

Please contact your local Children's Aid Society or Family and Children's Services, and find out more about foster care.

The children need you now, more than ever before. And maybe you need them too.

32. in memoriam

MORRISON, ARTHUR - In loving memory of a dear father and grandfather who passed away March 16, 1981. No farewell words were spoken, No time to say goodbye, So you were gone before we knew it, And only God knows why, It broke our hearts to lose you, But you did not go alone, For part of us went with you, The day God called you home. Deeply missed by son Larry, daughter-in-law Stella and grandson David. 32-P-16

32. in memoriam

"Do not stand at my grave and weep, I am not there, I do not sleep. I am the thousand winds that blow, I am the diamond glints on snow. Do not stand at my grave and cry, I am not there, I did not die." In memory of our Dad, **WILLIAM E. WILSON**, who left us two years ago to become part of all that he loved so much. We see you in every sunrise and each of Michael's smiles. Remembering, Bob and Deb. 32-B-16

In memory of a wonderful husband and father, **WM. [BILL] WILSON** who left us two years ago, March 16, 1981. There's a road of sweet remembrance, Where thoughts and wishes meet. We take that road in thought today For the one we cannot greet. You never said goodbye to us, Perhaps it's just as well, We never could have said goodbye, To one we loved so well. Our hearts still ache with sadness, And secret tears still flow, What it meant to lose you Dad No one will ever know. They say time heals all sorrow And helps us to forget, But time so far has only proved How much we love and miss you yet. Ever loved by wife Dorothy, daughters, sons-in-law, sons and daughters-in-law, and grandchildren. 32-B-16

CULLY, LLOYD. In loving memory of a dear husband and father, who departed from us March 17, 1975. Gone are the days we used to share, But in our hearts you are always there. The gates of memory will never close, We miss you more than anyone knows. With tender love and deep regret, We who love you will never forget. Sadly missed by wife Madeline and family. 32-P-16

HENDERSON - In loving memory of my mother, **EDNA MAY**, who passed away in April, 1940, and my father, **ROSS**, who passed away March 18, 1970. God gave us memories, So we could have roses in winter. Lovingly remembered, Denise and family. 32-P-16

In loving memory of a dear husband and father who passed away February 26, 1950, **THOMAS C. BAGSHAW**. His smile is gone forever His hand we cannot touch We have so many memories Of one we loved so much. His memory is our keepsake With which we'll never part. God has him in his keeping, We'll keep him in our hearts. Lovingly remembered wife Vera, son Tommy, daughter-in-law Marilyn, three grandchildren, Lisa, Tommy, Kimberly. 32-P-16

32. in memoriam

In loving memory of a dear father, **BILL WILSON**, who passed away March 16, 1981. And though they say that you are two years gone, that isn't so. I know that you live on behind the smiling eyes of our small son. Sadly missed Sheila and Steve. 32-P-16

In loving memory of **JOE BLAIR**, who passed away March 14, 1980. A beautiful memory of one so dear, We cherish still with love sincere; A day that comes with sad regrets To one that we will never forget. Fondly remembered by Kay. 32-B-16

MORRISON, ARTHUR. In loving memory of my beloved husband who passed away March 16, 1981. We often think of bygone days When we were all together, The family chain is broken now, But memories will live forever. To us, he has not gone away, Nor has he travelled far, Just entered God's eternal home And left the gate ajar. God's greatest gift, memories. Sadly missed and always remembered by wife Elva. 32-P-16

RIEL, Jackie - In loving memory of a dear son and brother who passed away March 20, 1970. A page in the book of memory Silently turns today. We remember you in silence, And make no outward show. And what it meant to lose you No one will ever know. Sadly missed by Mom and Dad, Brothers and families. 32-P-16

In loving memory of a dear husband and father who passed away February 26, 1950, **THOMAS C. BAGSHAW**. His smile is gone forever His hand we cannot touch We have so many memories Of one we loved so much. His memory is our keepsake With which we'll never part. God has him in his keeping, We'll keep him in our hearts. Lovingly remembered wife Vera, son Tommy, daughter-in-law Marilyn, three grandchildren, Lisa, Tommy, Kimberly. 32-P-16

argument. All you have to do is take facts, figures and statements out of context and rearrange them in support of your viewpoint.

There are many assumptions and accusations made in the document, but the only fact that it proves is that Dysart has more resorts than any other municipality in Haliburton County. It would seem to me that a great deal of time and effort has gone into proving an already well known fact. The balance of the report is based on assumptions not facts. It offers no positive or constructive solutions to any real or perceived problems.

The Chamber is more than willing to listen to constructive criticism and work towards a positive solution to any problem. We do not however feel the necessity to engage in a debate over assumption.

BIA area, racing, flood plains discussed

from page 3

in carrying out the work.

The BIA recently obtained a grant, and are underway with a variety of projects, including new signs and street furniture for the BIA area.

The cost of a new sidewalk in the BIA area (from the fruit market to John Purc's) would be "in excess of \$100,000," according to Gord Monk of the BIA. Crosby also revealed estimates for work on sidewalks outside the BIA area. One of these would involve a sidewalk going along Bobcaygeon Road and connecting to the senior's home, council was told.

Council asked for a written report on all costs from Crosby. The report is to be filed by March 31.

Racing events

Tom Prentice of the Haliburton County Snowmobile Association approached council with a variety of requests -- all of a recreational area. He said he would like to build a snowcross course in the "lower part of the Minden approved park."

According to Reeve Lyle McKnight, the area was dredged out

some time ago, leaving a 40-foot wide track 7/10ths of a mile long. The Kinsman Club would like to build a bridge to the infield, he explained.

Some of the events Prentice is interested in holding include the snowcross, ATV racing, and drag racing.

Council voted to approve his proposal.

Prentice then asked for, and received permission on behalf of the Kinsman's Club to locate this year's demolition derby 'just inside the fenced area of the Minden Fairgrounds adjacent to the curling club facility, providing the area is left in a clean and tidy condition.'

The reeve told the Echo that the fence would separate spectators from the action -- providing a safer vantage point for them.

Prentice will be responsible for the cleaning of the area afterwards. The site is of course used by the Horticultural Society each year, and "we don't want a mess left for them," he said.

Councillor Ed Pergolas wondered if Prentice's use of the approved

park site for winter events might be paid for by the HCSA. Prentice said it will take three years before the snowcross event will get really established.

Special policy area

The next step on Minden's road to an official plan will be the approval of a consultant to work on flood plain mapping in the village.

The consultants, said reeve Lyle McKnight, may or may not be able to make use of aerial photos of the town made several years ago.

Brian O'Donoghue made council aware of a program designed to assist areas with special status -- such as Minden, located technically in a flood plain. The Canada/Ontario Flood Damage Reduction Program, he said, offers advice to builders on how best to cope with potential flooding hazards. He mentioned such things as dykes, and other methods "to correct or protect buildings" from flooding.

The aim of the program, according to Reeve McKnight, is to minimize flood damage.
